Dallas, Ga. 30132

Dear Tina Clark:

Under the **Georgia Open Records Act § 50.18.70 et seq.**, I am requesting an opportunity to obtain copies of public records related to the Brew pub application, including the application, any supporting documents and any emails, regardless of what entity may have filed them.

I would also like all emails, text messages, recorded phone calls or handwritten notes regarding the brewpub or AllOn Georgia's previous open record request that was sent on March 15, 2018.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25. However, I would also like to request that all documents be provided electronically to avoid the cost of copies.

The Georgia Open Records Act requires a response time within three business days. If access to the records I am requesting will take longer than three days, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Matt Lowe
