Ref: Judith Ann Neelley

Dear Mr. Willingham:

Per our earlier telephone conversation, I am writing you to confirm that Judith Ann Neelley has been sentenced to life in prison in the Superior Court of Chattooga County, Georgia. This sentence is to be served consecutively to any sentence that she is serving in the State of Alabama regarding the Alabama case number listed on the attached document.

On behalf of Janice Kay Chatman, who was one of the victims in the torturous murder spree that Neelley and her husband, Alvin, committed. Ms. Chatman's body was discovered in a remote area of Chattooga County after her fiancé was shot and left for dead in an adjoining county. I respectfully ask that you and your fellow board members deny her the ability to serve the remainder of her sentence on parole. However, in the event that you find a reason that she should, I or one of my deputies will be there to transport her back to Chattooga County and keep her until she can be transferred to the Georgia Department of Corrections to begin her sentence.

With Regards,

Sheriff Mark A. Schrader
Chattooga County, Georgia
