Dear Tina Clark:

Under the **Georgia Open Records Act § 50.18.70 et seq.**, I am requesting an opportunity to inspect or obtain copies of public records that relate to a 911 call regarding a disturbance at the Dallas Housing Authority community building on Tuesday April 24, 2018. Specifically I'd like a copy of the 911 call audio, radio traffic audio related to the incident, the CAD report and any police reports made. The call was transferred to Dallas PD from Paulding 911 at approx 20:22

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00. However, I would also like to request that all documents be provided electronically to avoid the cost of copies.

The Georgia Open Records Act requires a response time within three business days. If access to the records I am requesting will take longer than three days, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Matt Lowe
