Sir,

Recently, I was informed by Councilman William Griffith and Mayor William Hendrix that I needed to submit a correction to the Peace Officers Standards and Training Council in reference to the C-11 that I submitted for John D Baker.

Baker was terminated after an Internal Investigation had found he violated the Brooklet Police Department Standard Operating Procedures. The recommendation for his termination was submitted to the City Council of Brooklet and they voted to take the recommendation of termination. Baker was informed of the council's decision and given the opportunity to resign prior to the termination and he refused. Councilman Griffith gave him his termination paperwork.

Baker filed an appeal to the termination under the city policy. The appeal was to take place in the next city council meeting however, prior to the meeting, Baker and his legal representation met with the city attorney, Hugh Hunter and an agreement was made to allow Baker to submit his resignation. Unbeknownst to me, the city council met and agreed to accept his resignation. After being informed of the council's decision, I was instructed to submit a change of status for Baker to Resignation in Lieu of Termination. I understand that this in no way will affect the status of the current POST investigation into his initial termination.

If you have any questions, please feel free to call me at the number I have provided. Again, thank you for your consideration on this matter.

Respectfully,

Brian A. Mundy

Interim Chief of Police
