Expecting Excellence...No Exceptions, No Excuses!

Ms. Szilayi,

I possess no screenshots of any communication made by text.

You will find attached an email that was sent to Evans County Board of Education members on Tuesday, July 23, 2019 at 12:25 p.m.

As this process required less than 15 minutes and the records were produced electronically, there is no charge.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Waters", written over the word "Sincerely,".

Martin G. Waters, Ed.D.
Superintendent

ORR Received: Tuesday, July 23, 2019 2:34 p.m.

To Whom It May Concern,

Under the Georgia Open Records Act, I am requesting screenshots of any communication made by text message or email from Superintendent Martin Waters to any school board member or group of school board members on any matter between 12:00 P.M. on Monday, July 22, 2019 and 2:00 P.M. on Tuesday, July 23, 2019. Please also include any responses received by Waters from any Board member by text message and email or group of board members.

The Georgia Attorney General's Office has informed me that personal cell phones (or personal emails) are not excluded under the Georgia Open Records Act as it pertains to official government business. This is further evidenced by the use of Board Member Sharon Haire's bank email address on the school website.

Please let me know if you have any questions.
