**INCIDENT NARRATIVE:**

On 04/24/2020 at 2213 hours, I was dispatched to 2018 Grimshaw Lane in reference to Loud Music and Four Wheelers. When I arrived on scene, I spoke with a Mr. Gregory Stokes who was loading up his four wheeler to go home. I asked Mr. Stokes if he had been riding and playing loud music, he said he had his music up to loud when he started his truck and that he was test driving his wife's four wheeler because he just put a new clutch in it.

I told Stokes to not ride his four wheeler anymore after dark, he said that he wouldn't and apologized for the noise. I have uploaded all the call screens to the report because over the past three years we have been out to 2018 Grimshaw Lane several times. I spoke with the resident that called the complaint in and Mrs. Lori Lee stated that it has been an on going problem ever since all of the houses on that driveway had moved in. Lee said that they always play music but it is usually coming from the Blue Trailer on that road, I told miss Lee that everytime I go to that trailer the resident will never open the door.

I advised of the proper Magistrate Process but I told Lee it would be better if she continued to call when it happens and we will do reports so that we can charge Disorderly House.
