**INCIDENT NARRATIVE:**

On 07-29-2020 I conducted a traffic stop at Highway 67 and Burkhalter Road for a tag light violation. The vehicle did not stop until she turned into aspen heights apartments and parked her vehicle at apartment 223.

When I approached the vehicle I spoke with the driver Ms. Shivani Valchine. While I was at the drivers side window I could smell the odor of marijuana coming from the vehicle. I got Ms. Valchine's drivers license and ran it through GCIC while I waited for another unit to arrive on scene. After the other unit arrived on scene, I asked Ms. Valchine if there was any marijuana in the vehicle. She then told me "yes" and showed me a black bag where it would be. I then had Ms. Valchine step out of the vehicle and I conducted a probable cause search.

During the search I located in the black bag that Ms. Valchine was referring to, with a glass jar of a green leafy substance suspected to be marijuana and a green smoking device. I then continued the search where there was a camouflage suitcase with locks on it. Ms. Valchine was asked if she could open the suitcase which she did and after going through the suitcase there was a baggy with 6 multiple colored pills suspected to be ecstasy. Ms. Valchine stated that her dealer where she gets her marijuana from gave her the pills.

I then placed Ms. Valchine under arrest and transported her to the Bulloch County Jail on the above listed charges. I issued a citation to Ms. Valchine for the tag light violation and everything else was turned over to CST where they will issue warrants for Ms. Valchine. Ms. Valchine's vehicle was left at the scene. Nothing further.
