Meeting Date: July 21, 2020

Requested Motion or Item Title:
Discussion and/or Action to Approve a Resolution Allowing a Contextual Marker Adjacent to the Confederate Memorial Monument on the Courthouse Square

Summary / Background Attach Detailed Summary:
Representatives of the Willow Hill Heritage and Renaissance Center have requested that the Board of Commissioners allow a contextual marker to be placed adjacent to the Confederate Memorial Monument on the Courthouse Square with language substantially in the form of Exhibit A to the attached resolution. On April 18, 2017, the Board of Commissioners adopted a policy that provided that on or after April 18, 2017, no monuments, signs, or other structures intended to be of a permanent or long-term nature shall be permitted to be constructed or installed on the Courthouse Square other than those deemed necessary for the official functioning of the Bulloch County Courthouse. Approval of the attached resolution would allow installation of the contextual marker as an exception to the policy, but the policy would otherwise remain in full force and effect.
