INCIDENT NARRATIVE:

On 09/22/20 at 0019 hours I was dispatched to 12500 Mud Road in reference to a stolen firearm. When I arrived on scene I spoke with the complainant a Mr. Derrick Jones he stated, that he had been home from work since 1700 hours but didn't notice the missing handgun until eleven. Jones said that no one was in the house from about 0700 hours until 1600 hours on the 21st.

Jones said the house was locked but they have two doors that don't have a dead bolt so the offender must have used a credit card to gain entry. I checked the door and there was no sign of any damage. The firearm was entered into GCIC and the case was forwarded to CID.

16-7-21 CRIMINAL TRESPASS

INCIDENT NARRATIVE:

On 09/22/2020 at 1859 hours I was dispatched to 4086 North Highway 119 in reference to Criminal Trespass. When I arrived on scene I spoke with a Melissa Spell who stated that her boyfriend's brother Raymond Anthony Rollins came over to her residence and cut the power cord to her outside security camera and then called her threatening to smash the windows out of her mustang.

Melissa stated that Anthony was mad because he was bringing a fridge over to the house that he said they could have, but then he decided that he wanted \$150.00 for it. When Melissa didn't want to pay that, that was when he cut the security camera's power cord and threatened to smash out the windows of the Mustang. It was found out later on that Raymond cut all four valve stems on the Mustang so the tires would be flat.

Melissa said that a few days before this incident he came over and smashed a glass door they had in the front yard, I saw the door and the glass all over the yard. I advised Melissa of the Magistrate process to obtain her own warrants.
