STATESBORO-BULLOCH COUNTY PARKS & RECREATION

*Fall 2021*

*Letter from the Director:*

What a year it has been! I've been Director with Parks & Rec in Bulloch County just over a year now. What started a little rough with COVID-19 has turned into smooth sailing as we move forward with all of our sports and special events!

We were able to host ArtsFest in the Spring, had a successful spring sports season, and we are currently in the middle of a fun summer with Sandlot Baseball, a variety of day camps, and of course, Splash in the Boro Waterpark operations!

We look forward to a full Fall as we register for football, soccer, cheerleading and so much more, in addition to, our afterschool program and many instructional programs. We will also host our own Ag-Grow Expo event at the Agricultural Complex along with the many rentals going on these next few months.

We hope you'll join us for all that we offer and if you ever think of anything we might want to add to our program listing, give us a call or email and we'll certainly take it into consideration!

Be well,

Eddie Canon
