Social Studies - 2022

Due to rounding, percentages may not total 100%.

The EOC course data represent full year performance (Winter and Spring combined).

Georgia Milestones State Results

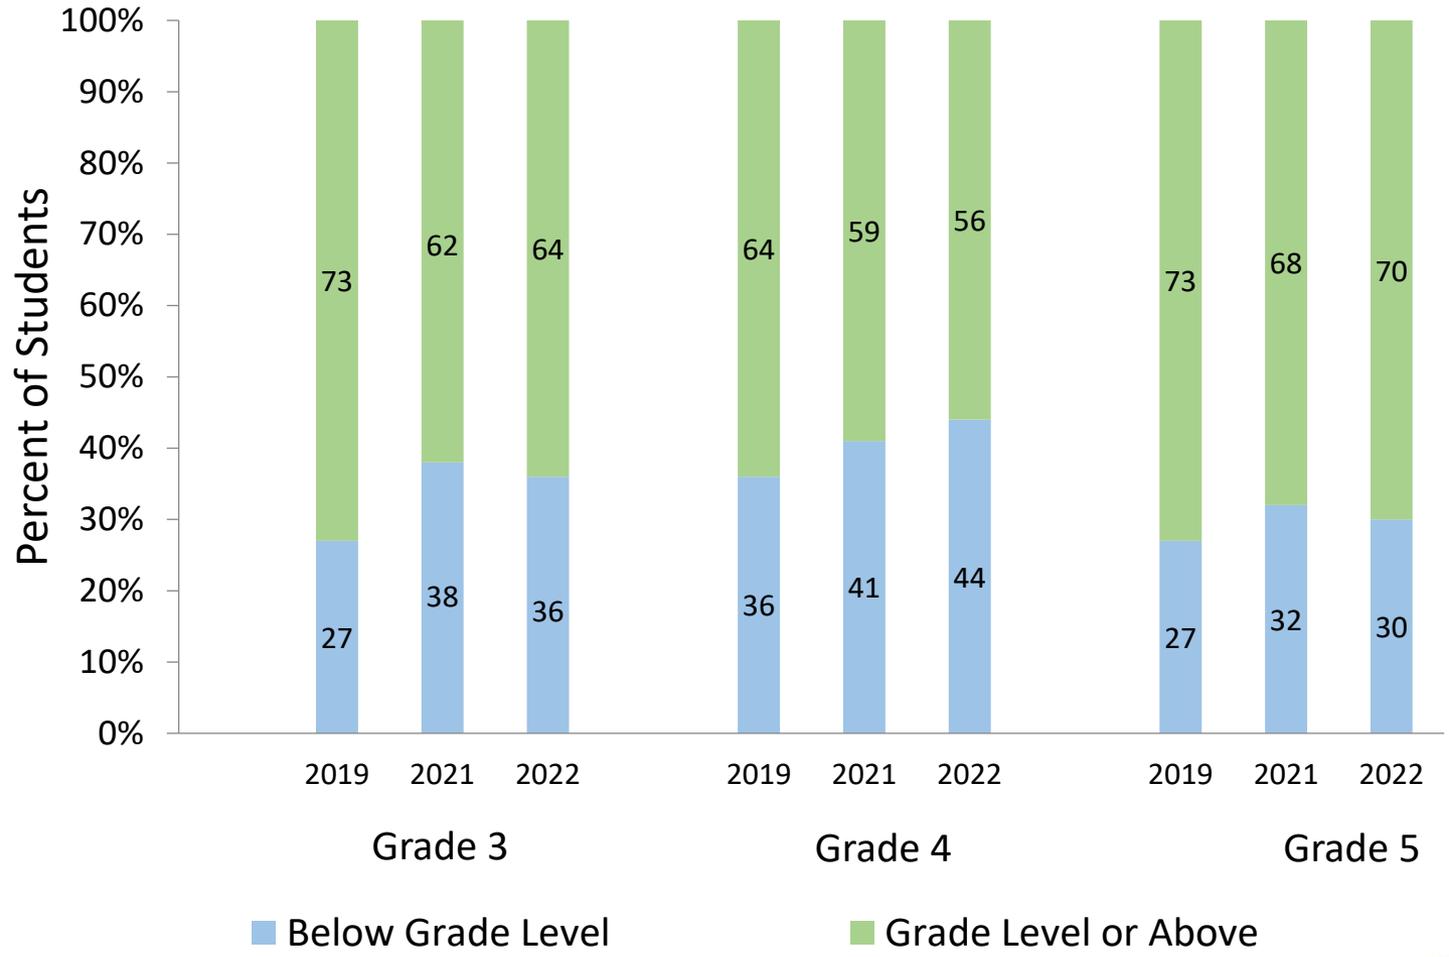

Longitudinal Results

Note: Data points for 2020 are not available because Spring 2020 testing was canceled due to the COVID-19 pandemic.

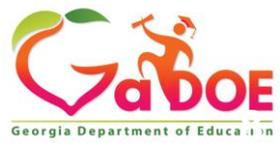

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Reading Status – Elementary School

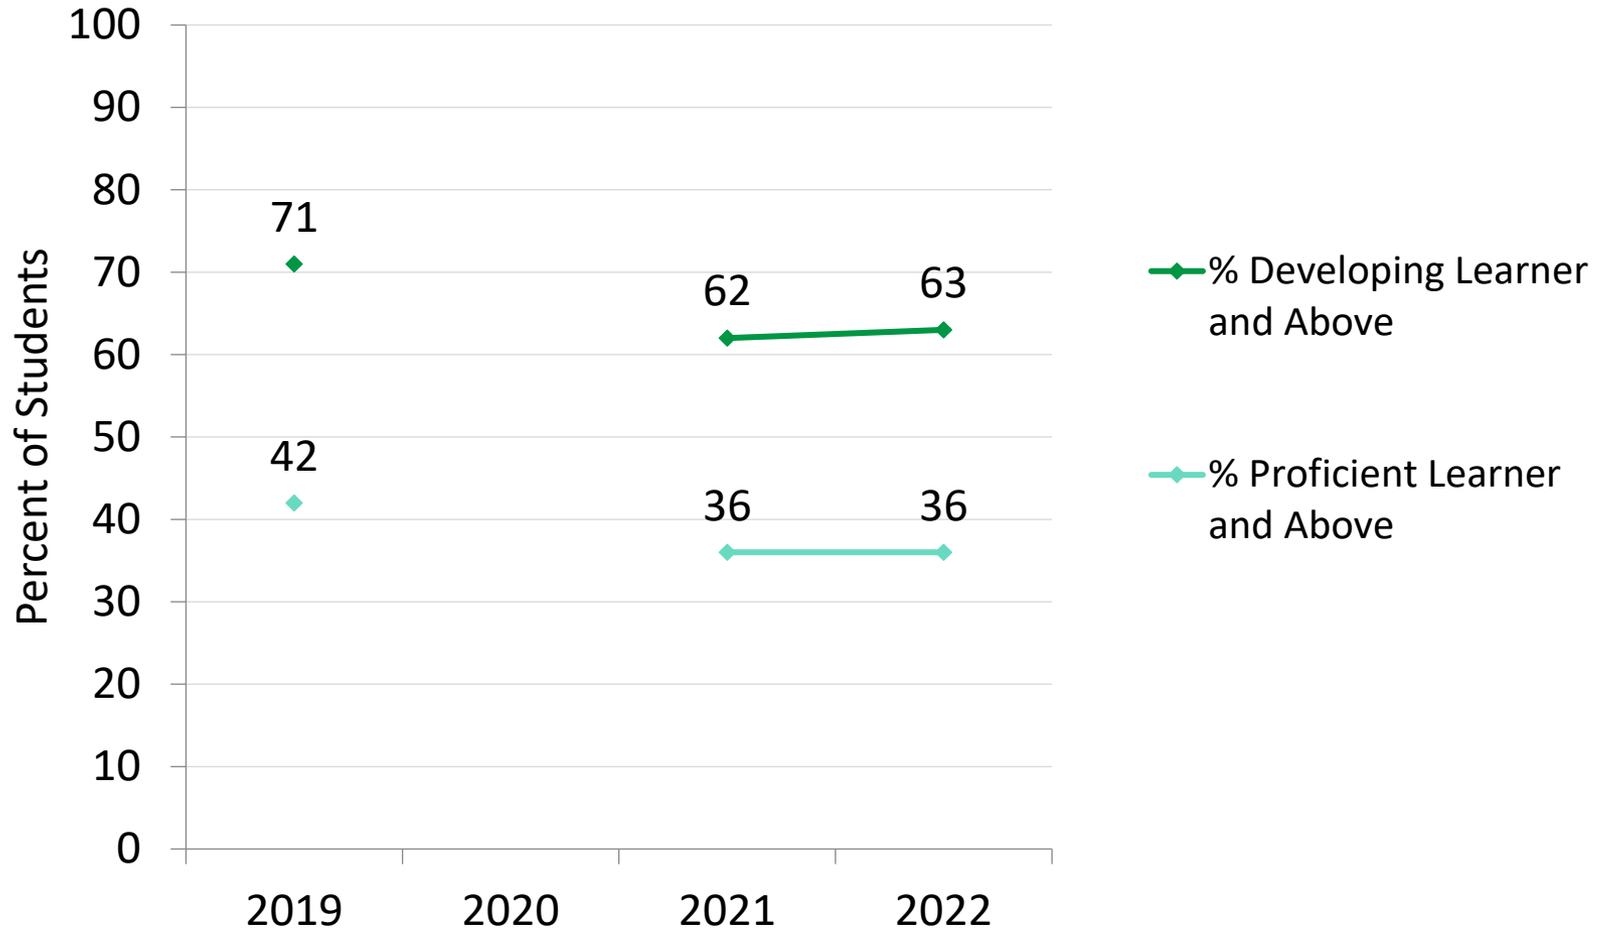

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

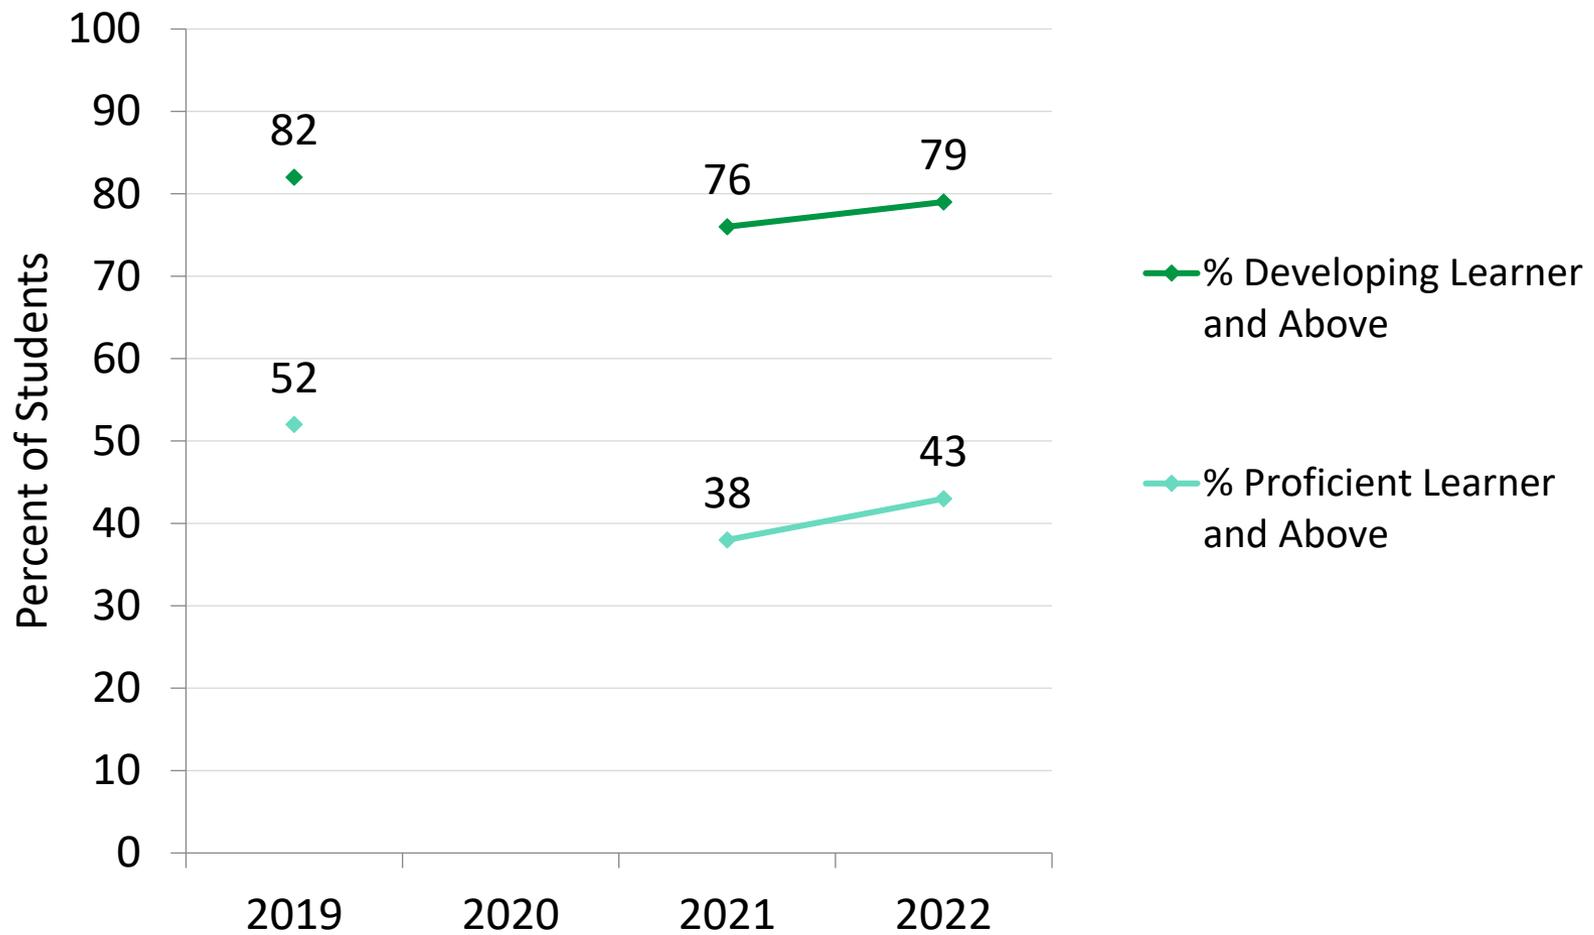

Grade 3 English Language Arts

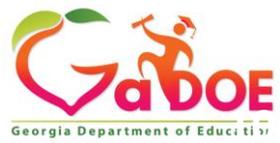

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 3 Mathematics

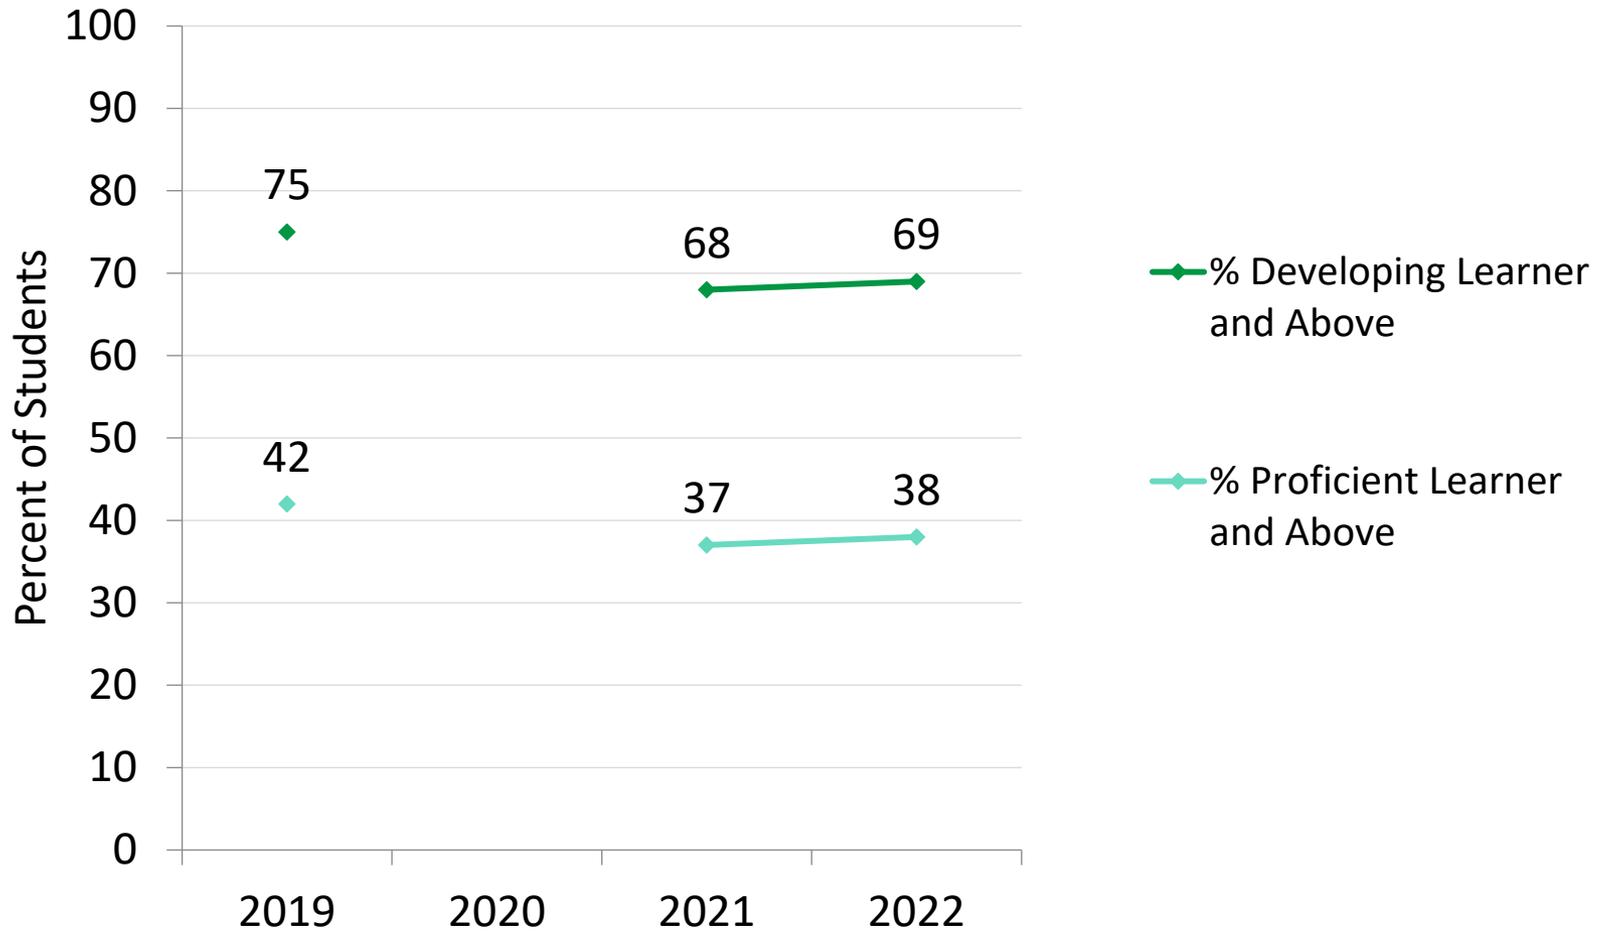

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 4 English Language Arts

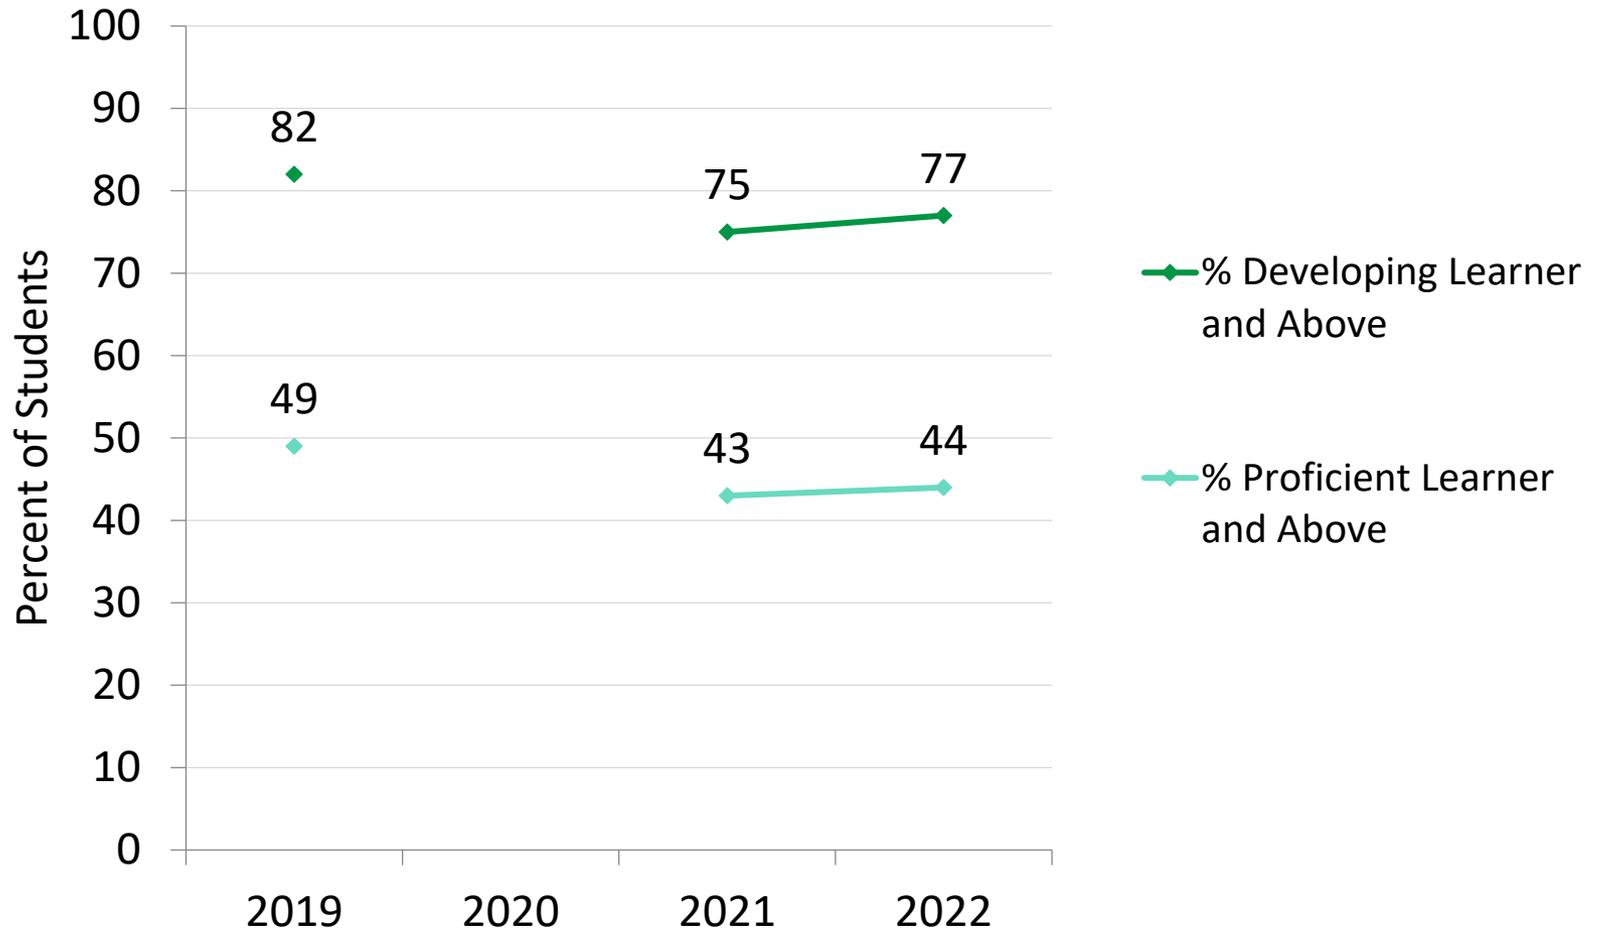

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 4 Mathematics

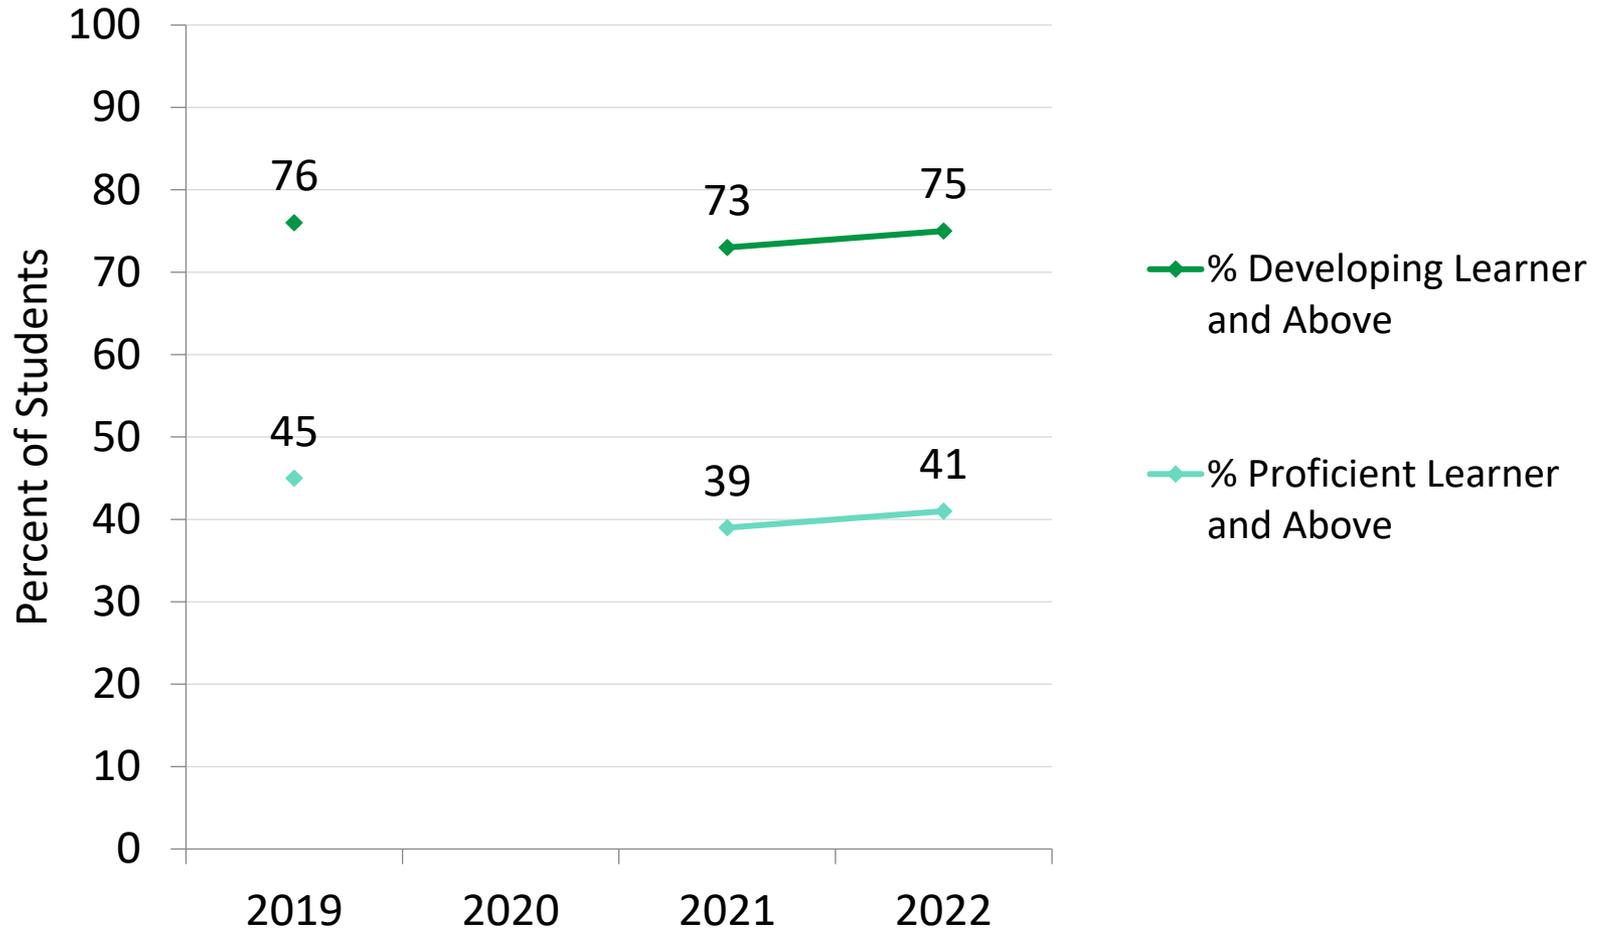

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 5 English Language Arts

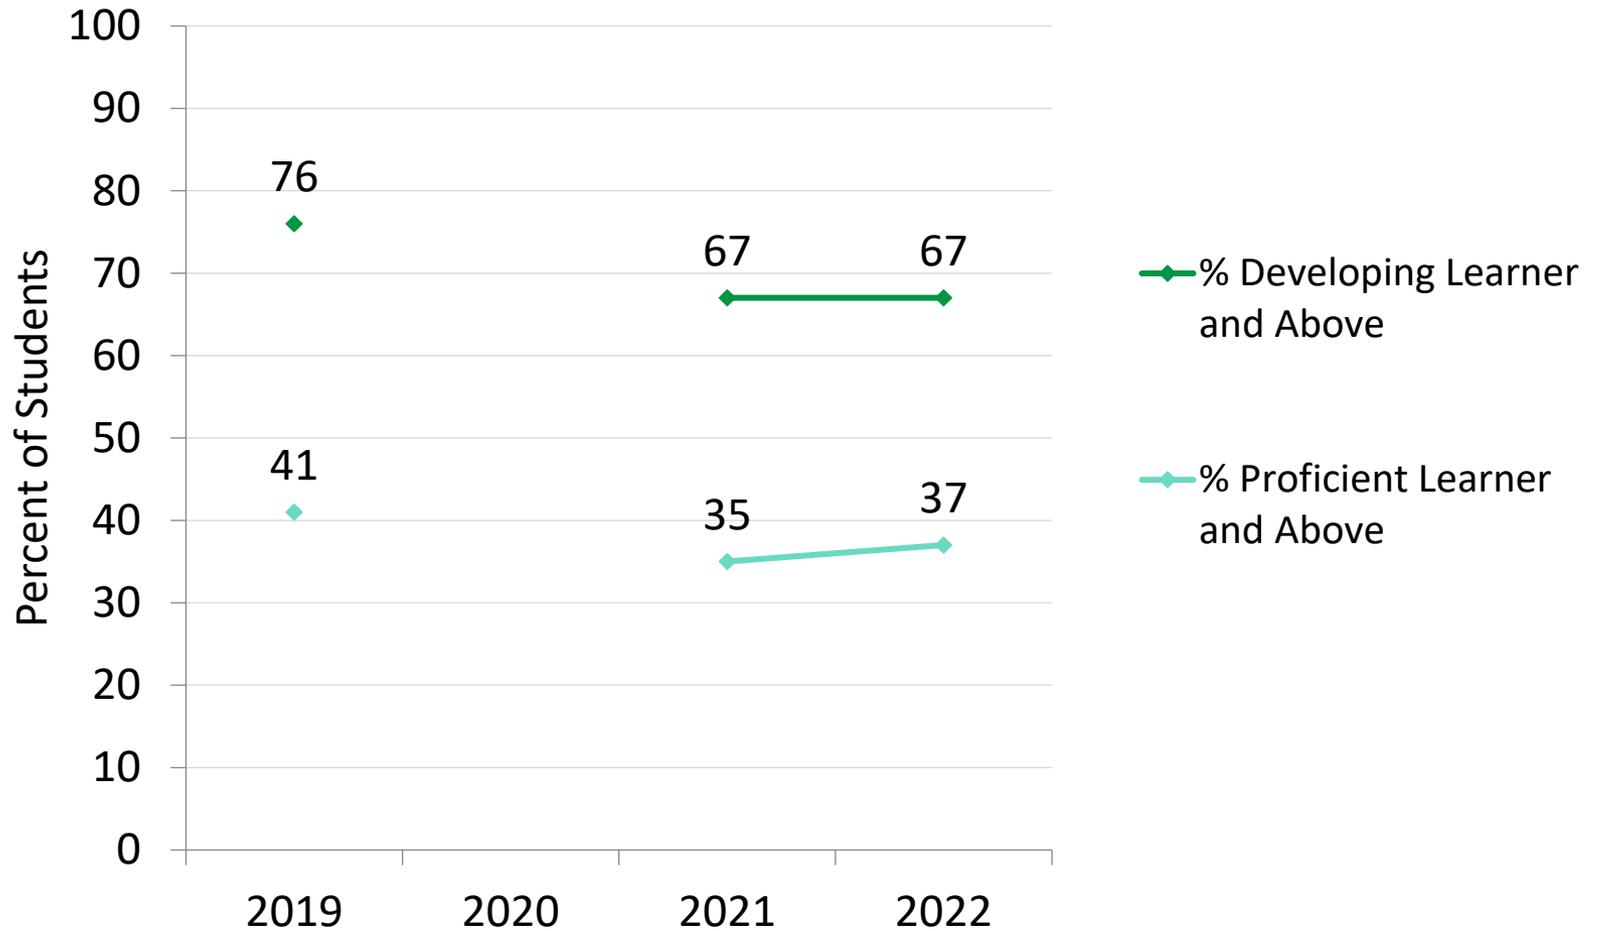

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 5 Mathematics

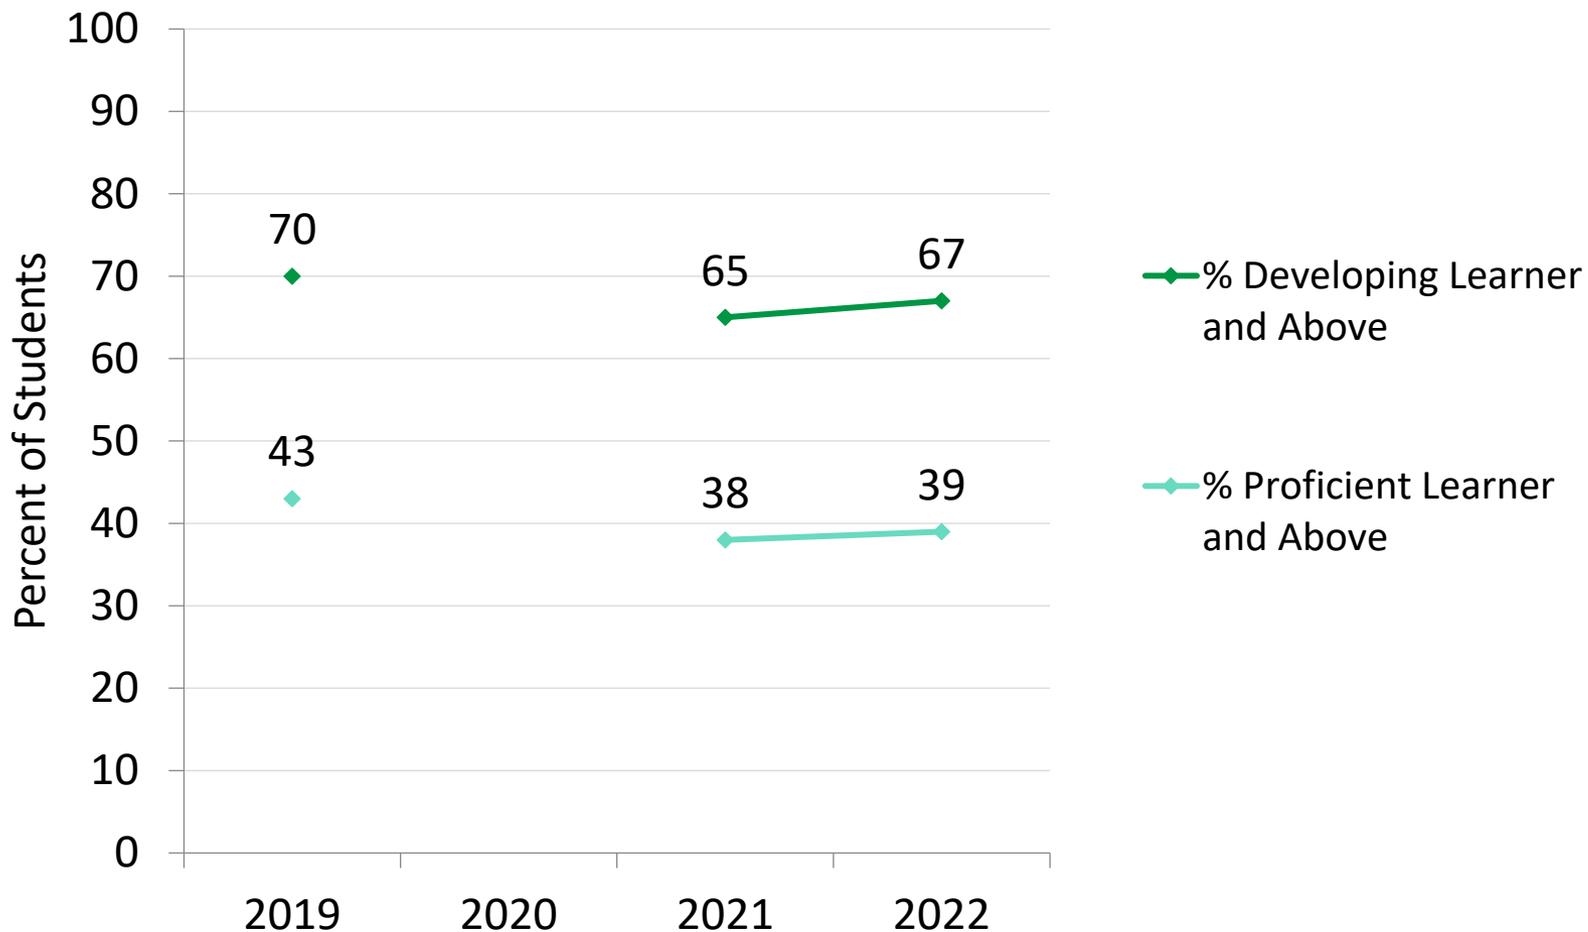

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 5 Science

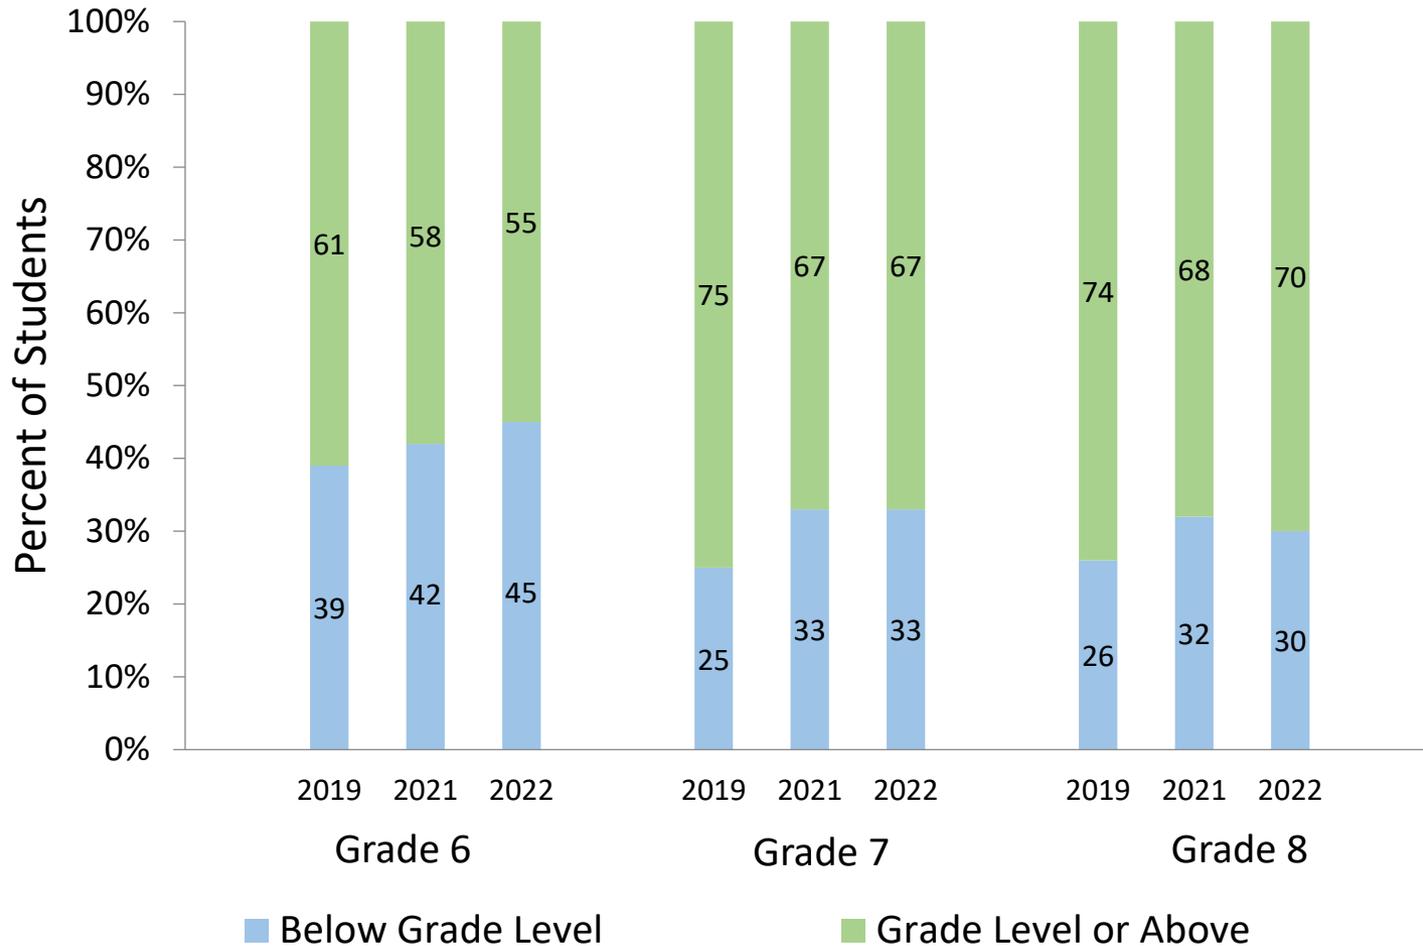

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Reading Status – Middle School

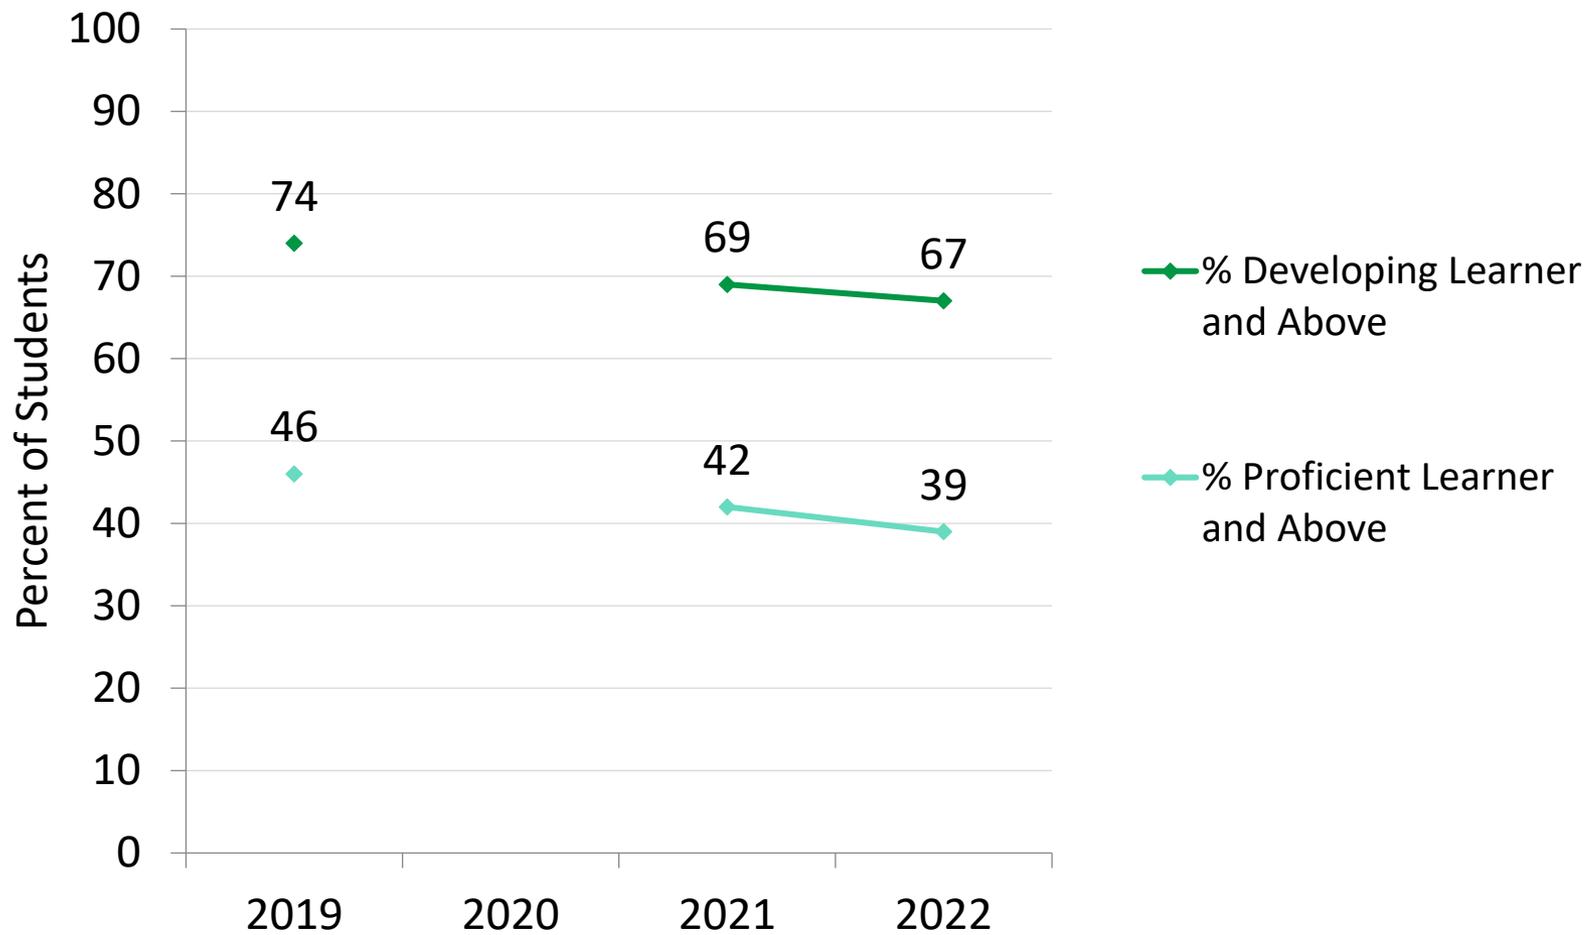

Due to rounding, percentages may not total 100%.

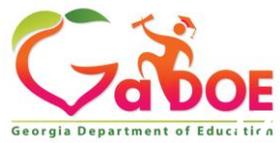

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 6 English Language Arts

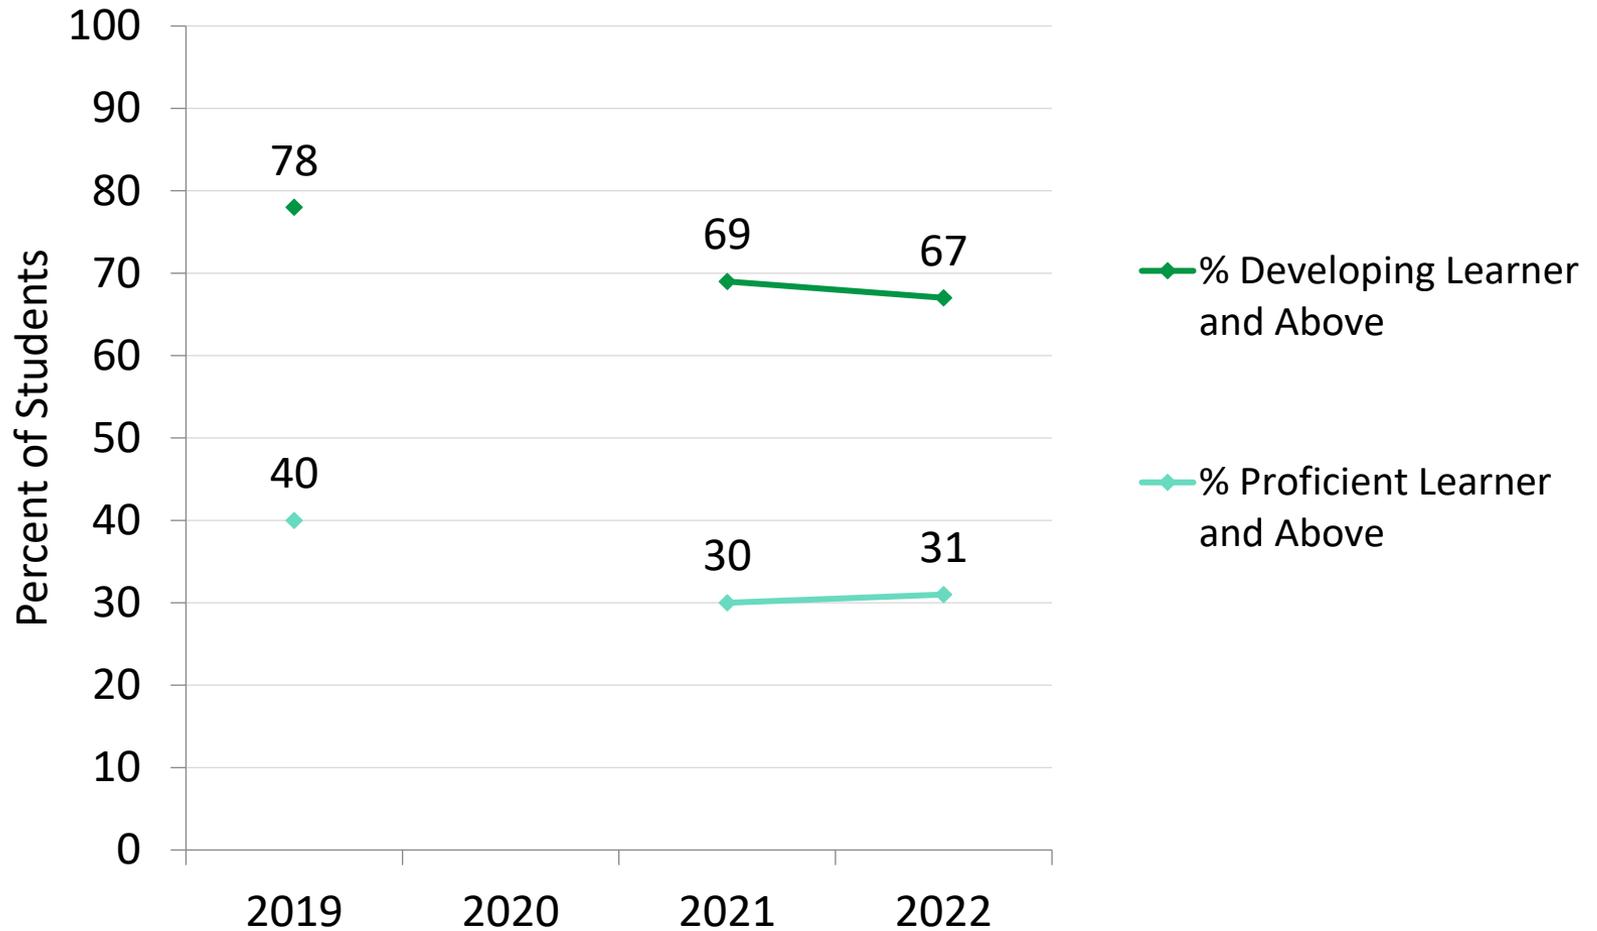

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 6 Mathematics

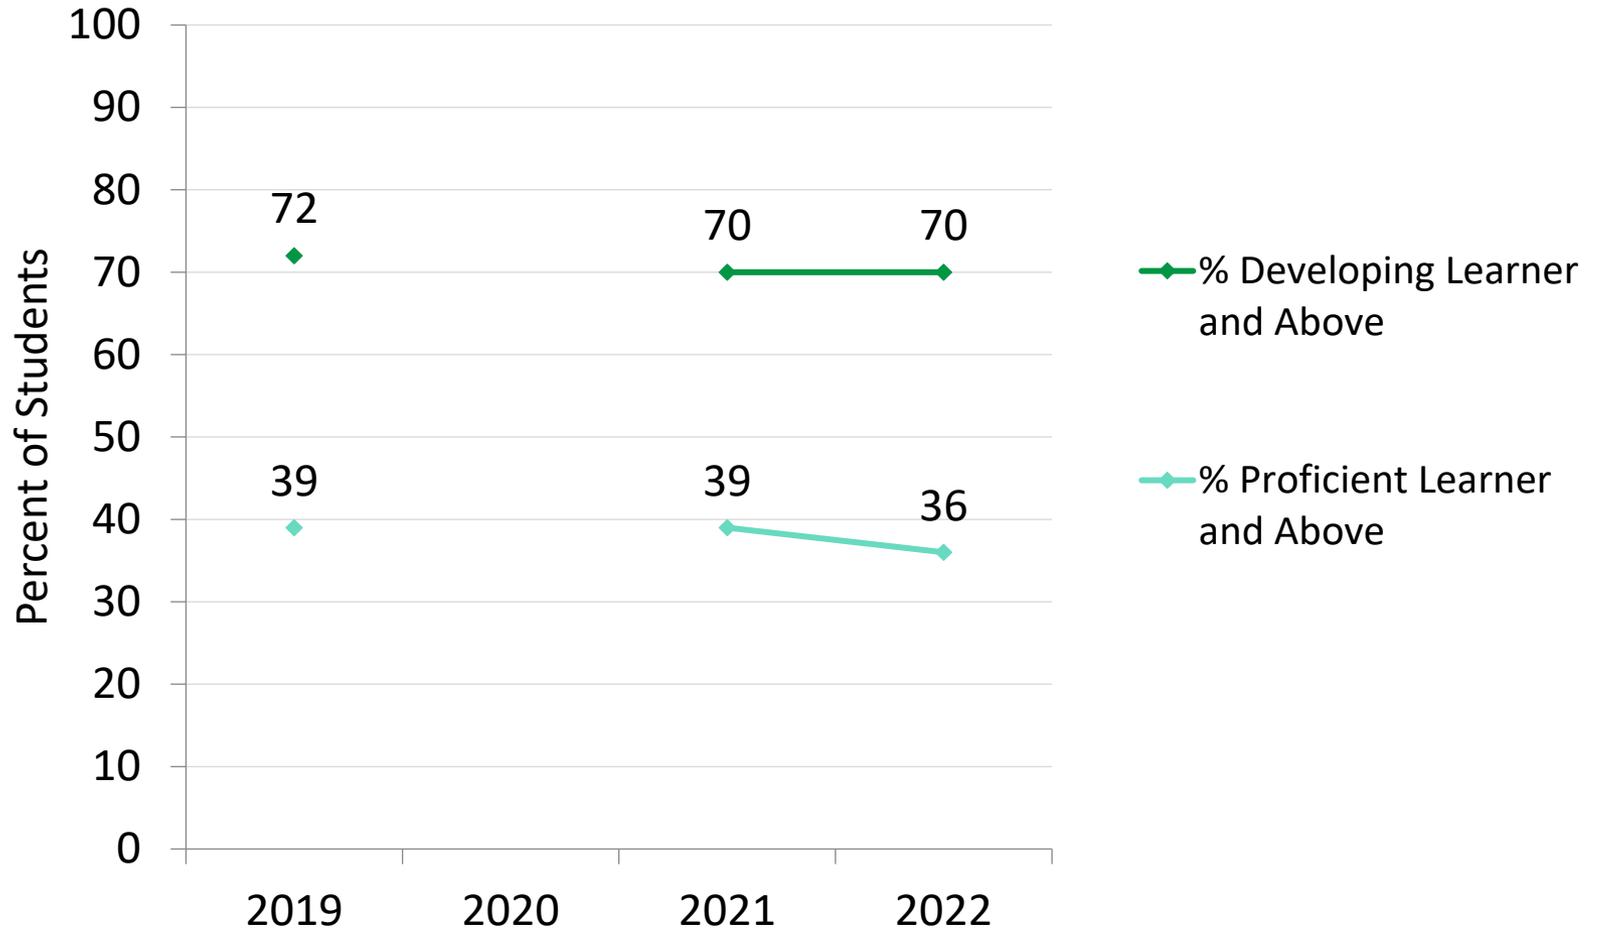

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 7 English Language Arts

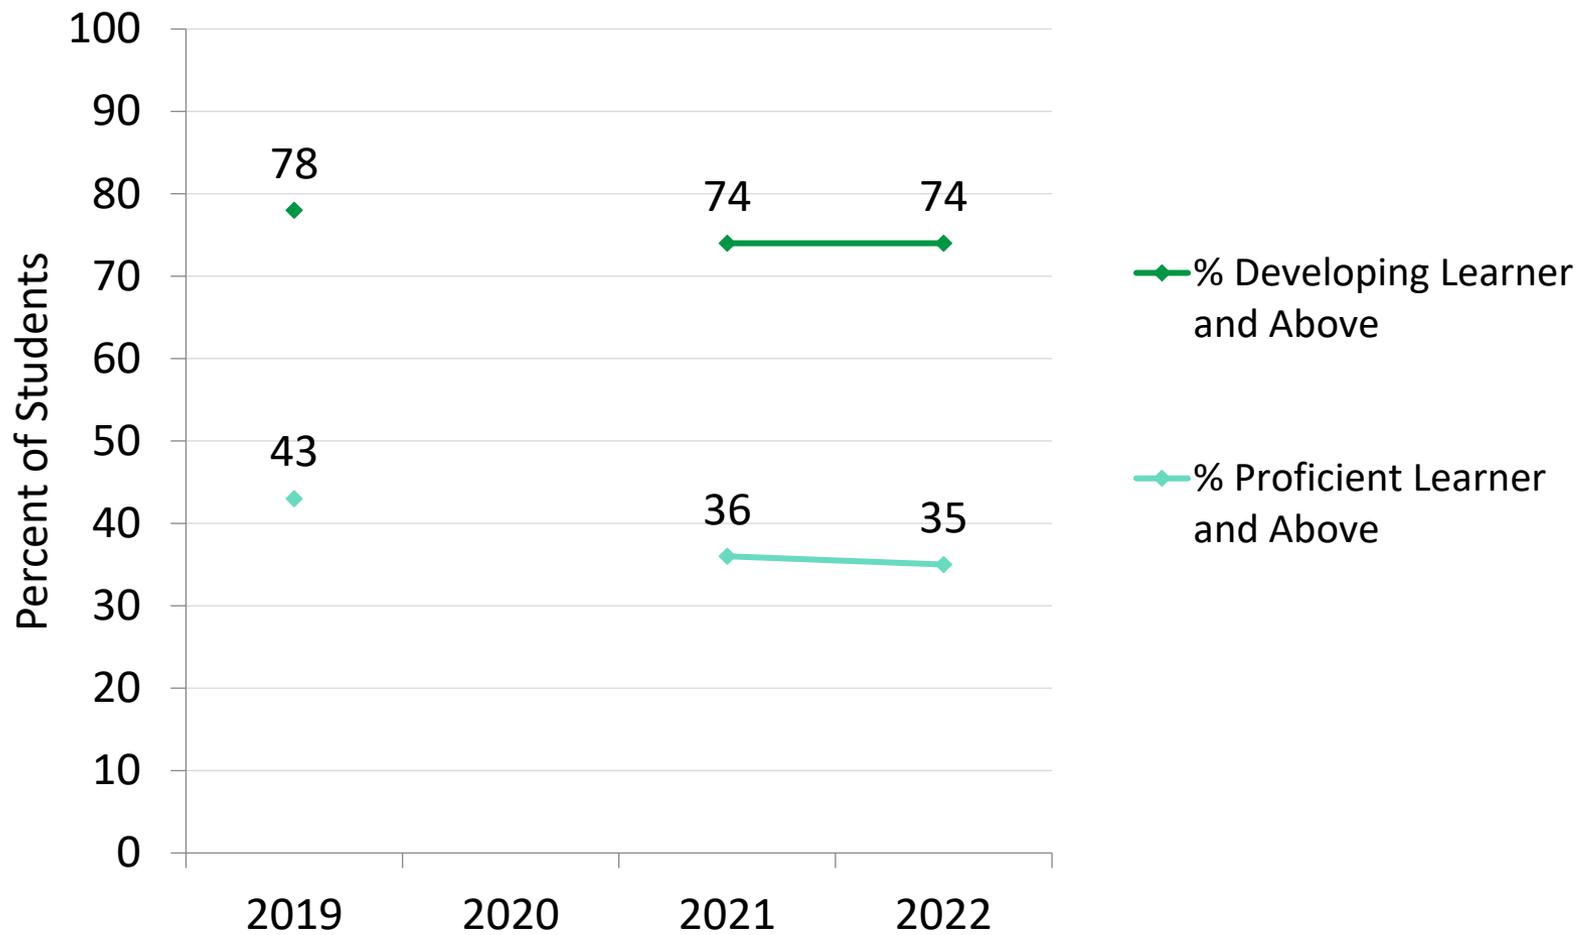

Due to rounding, percentages may not total 100%.

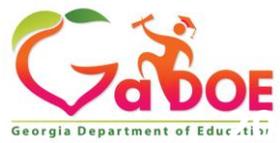

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 7 Mathematics

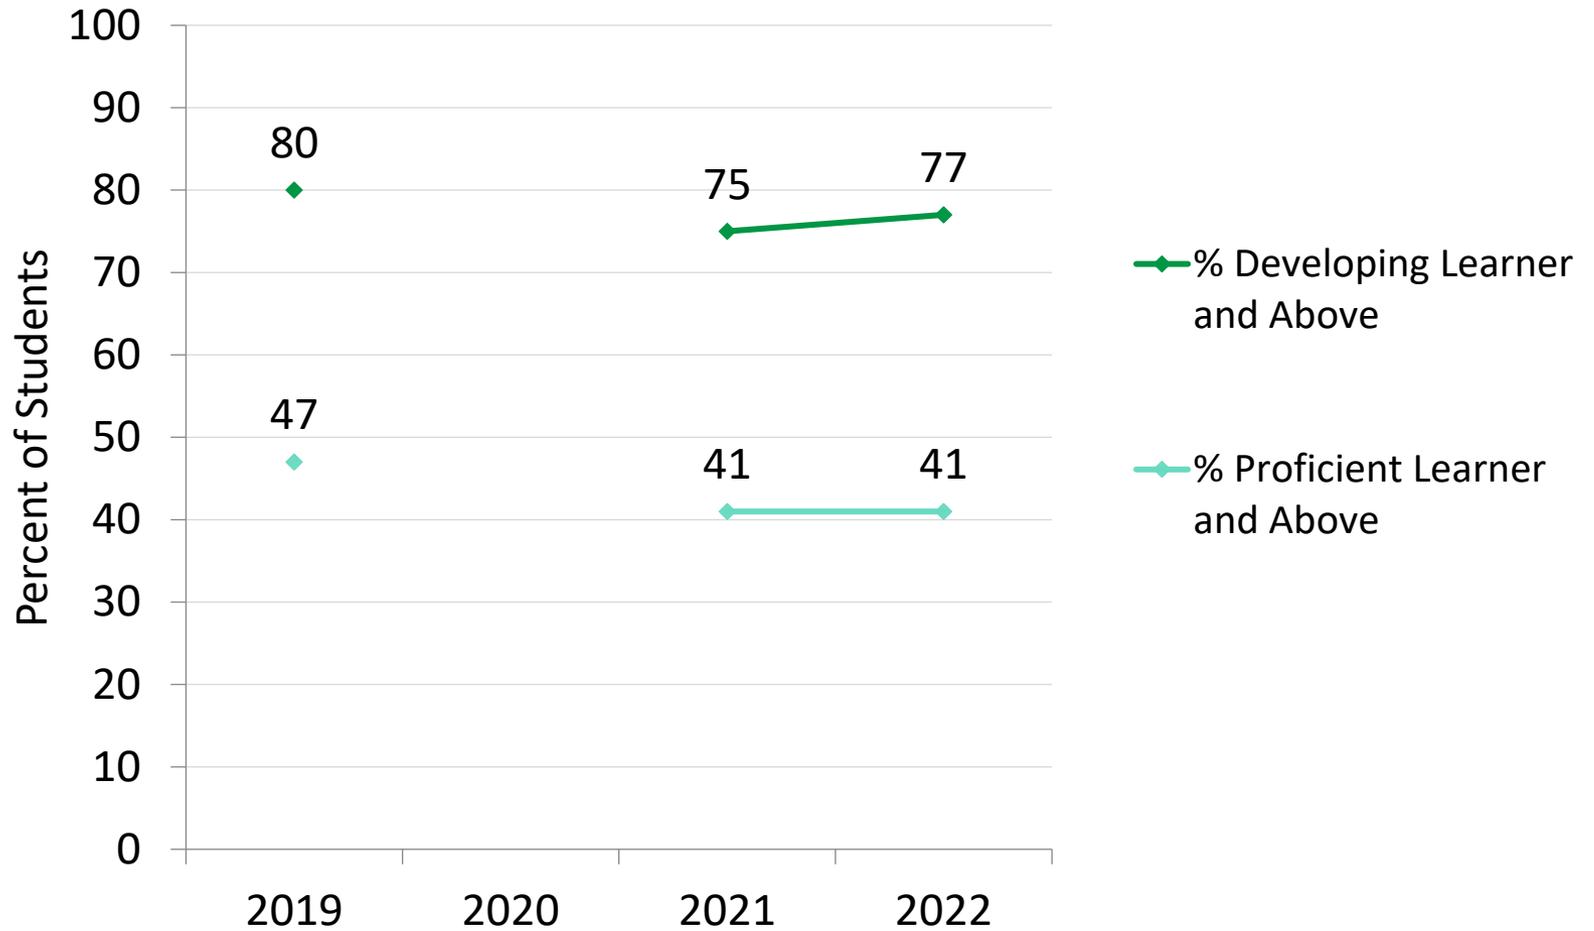

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 8 English Language Arts

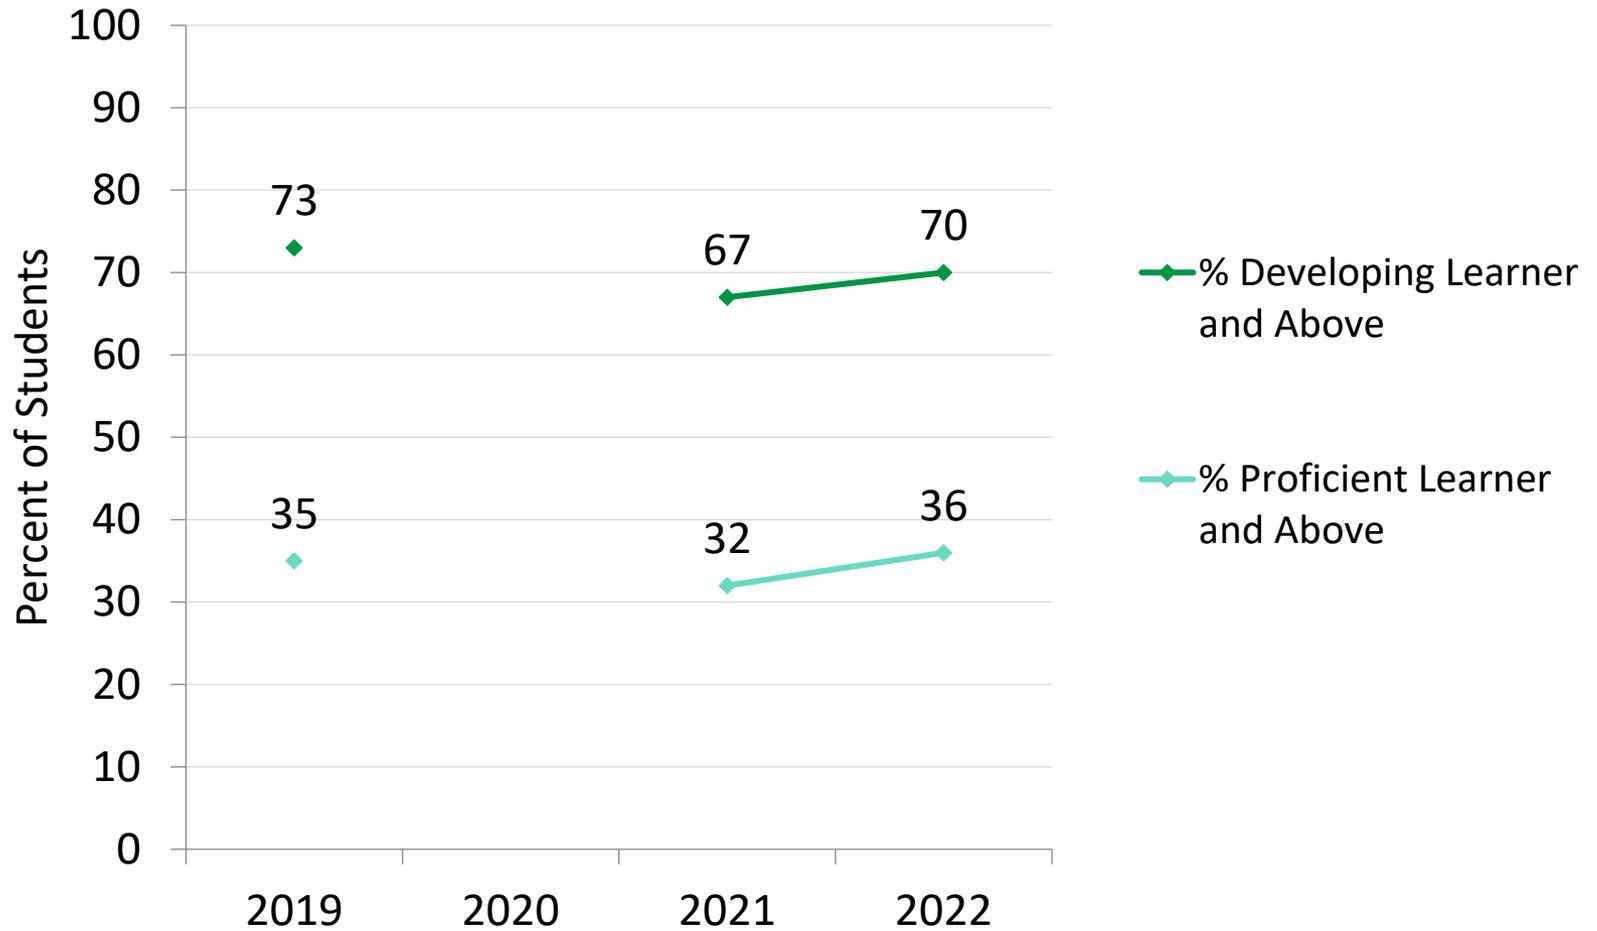

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

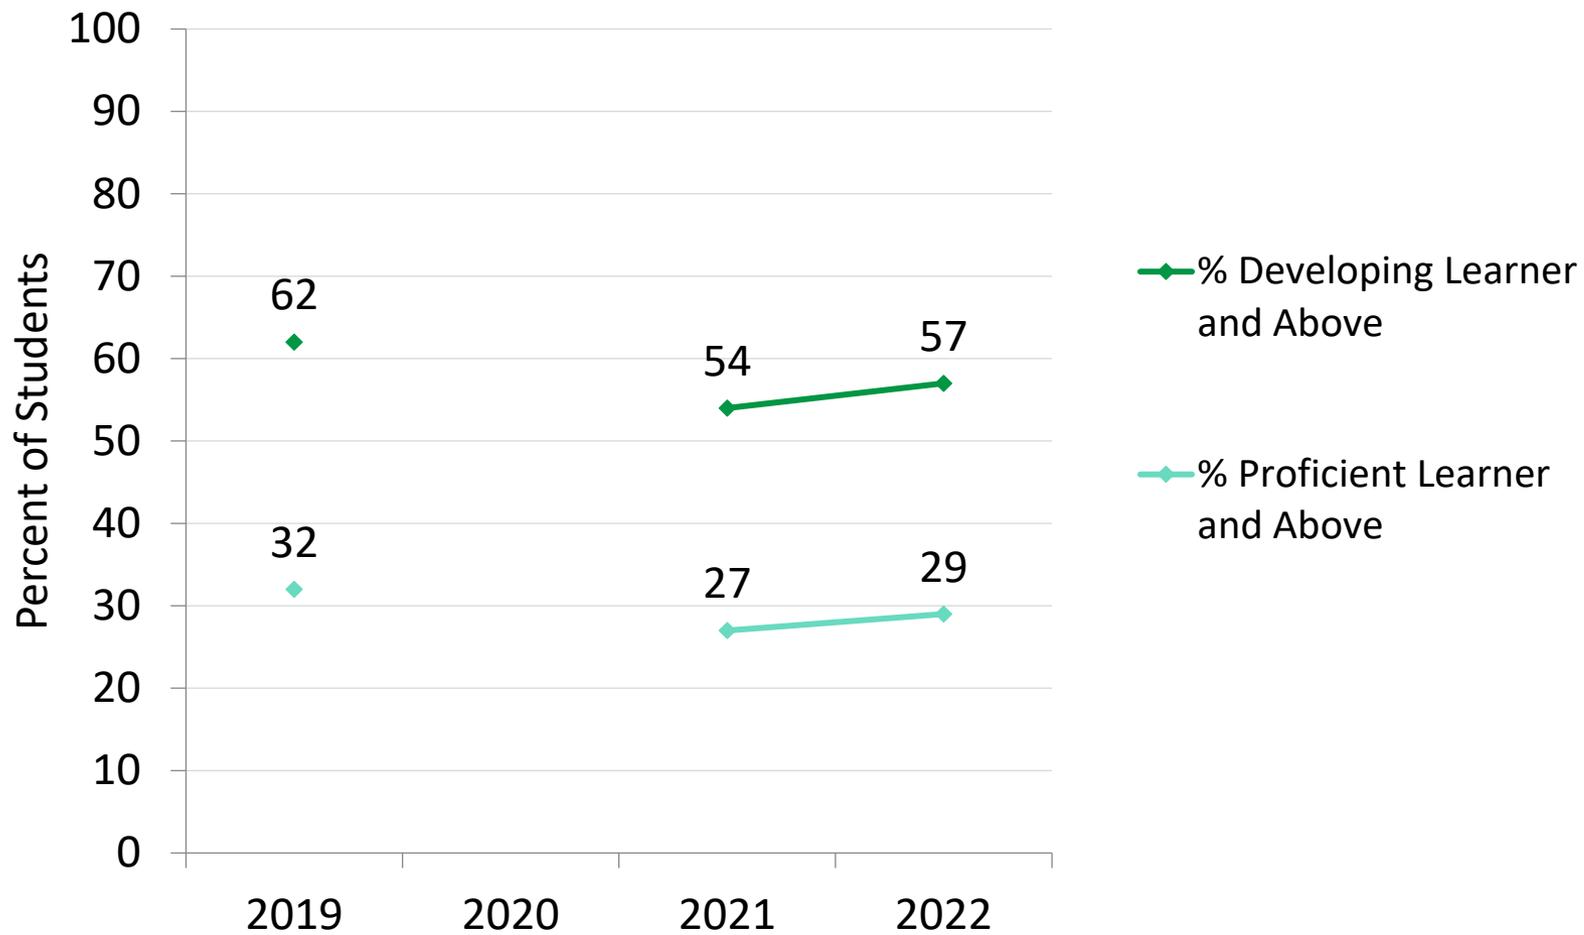

Grade 8 Mathematics

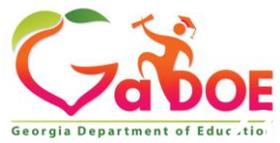

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 8 Science

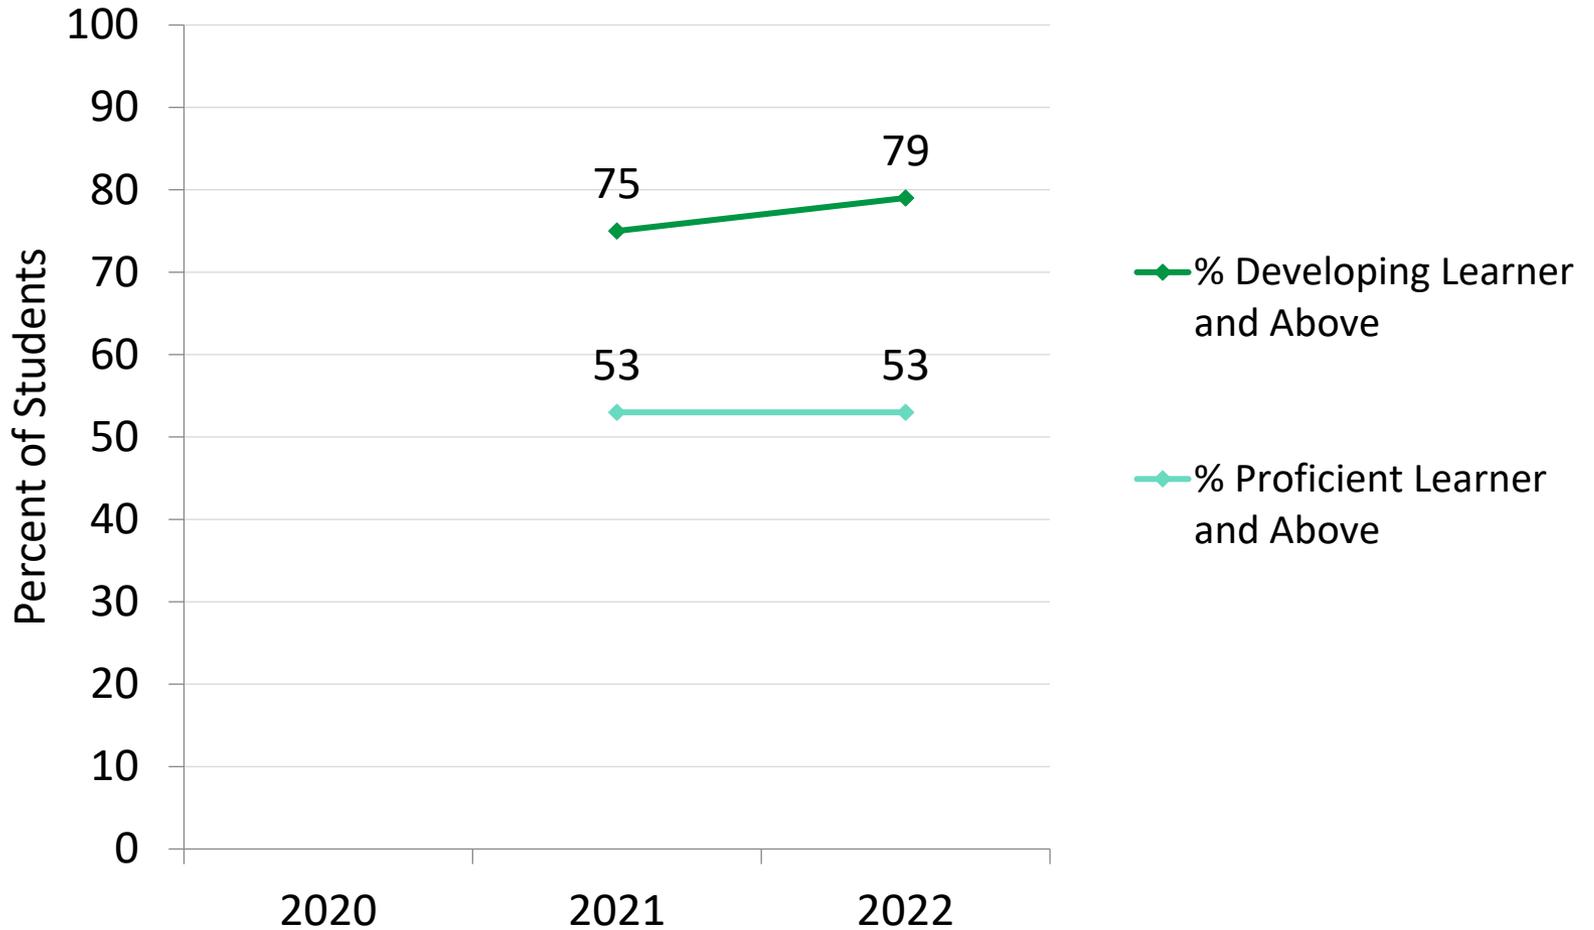

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 8 HS Physical Science

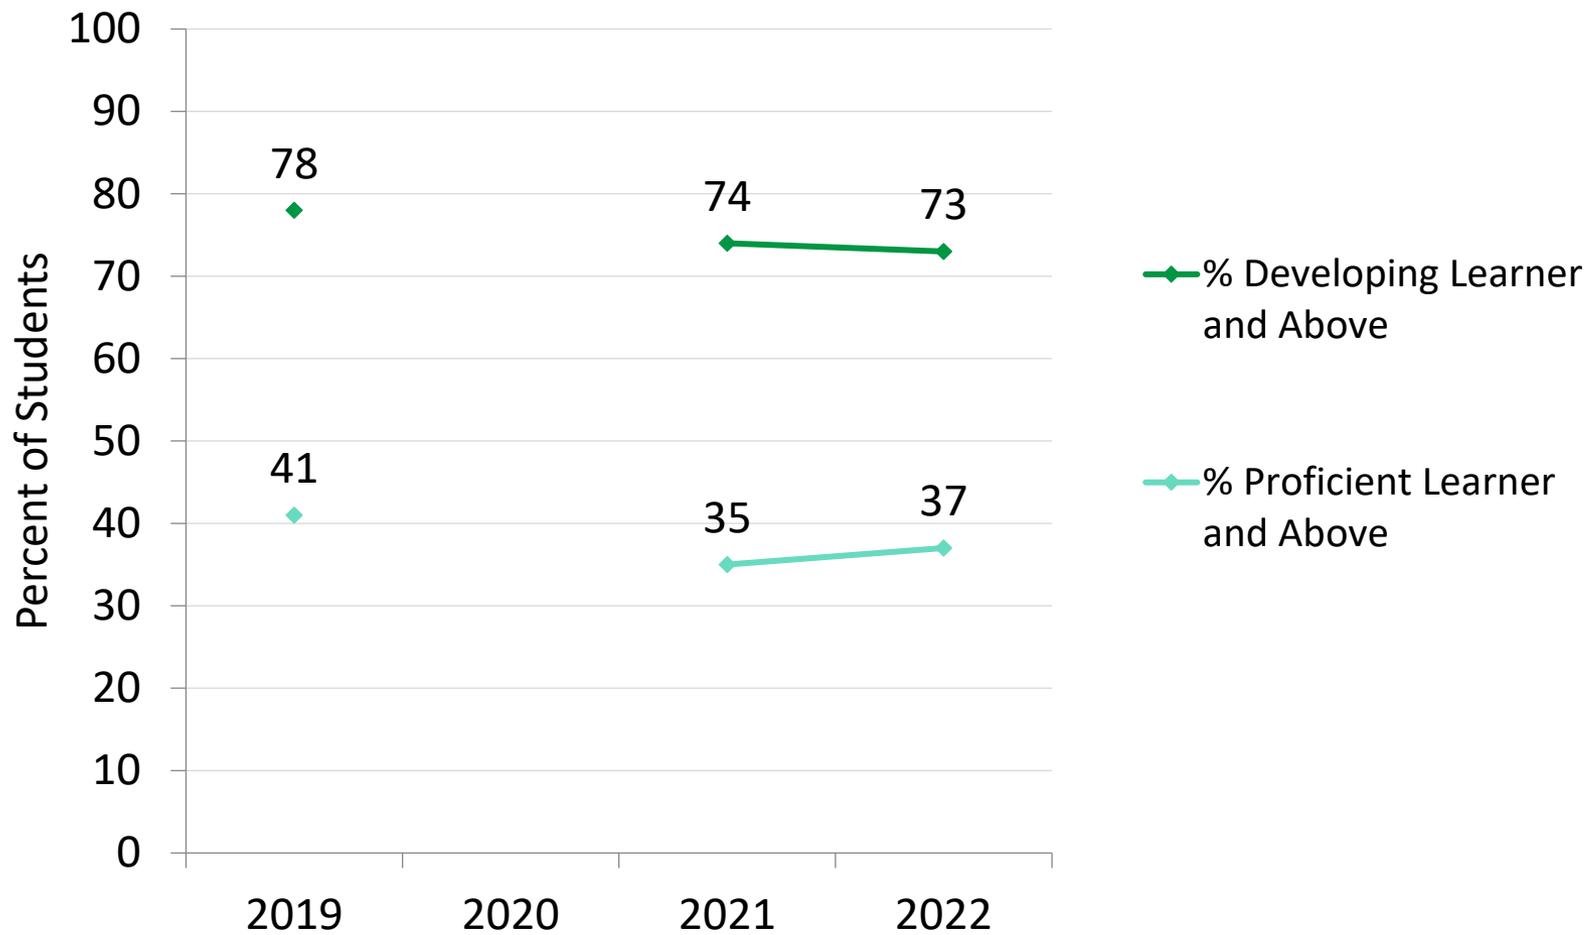

Due to rounding, percentages may not total 100%.

Prior to 2021, the HS Physical Science assessment was given as an EOC, not an 8th grade EOG.

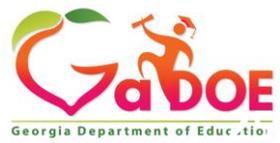

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Grade 8 Social Studies

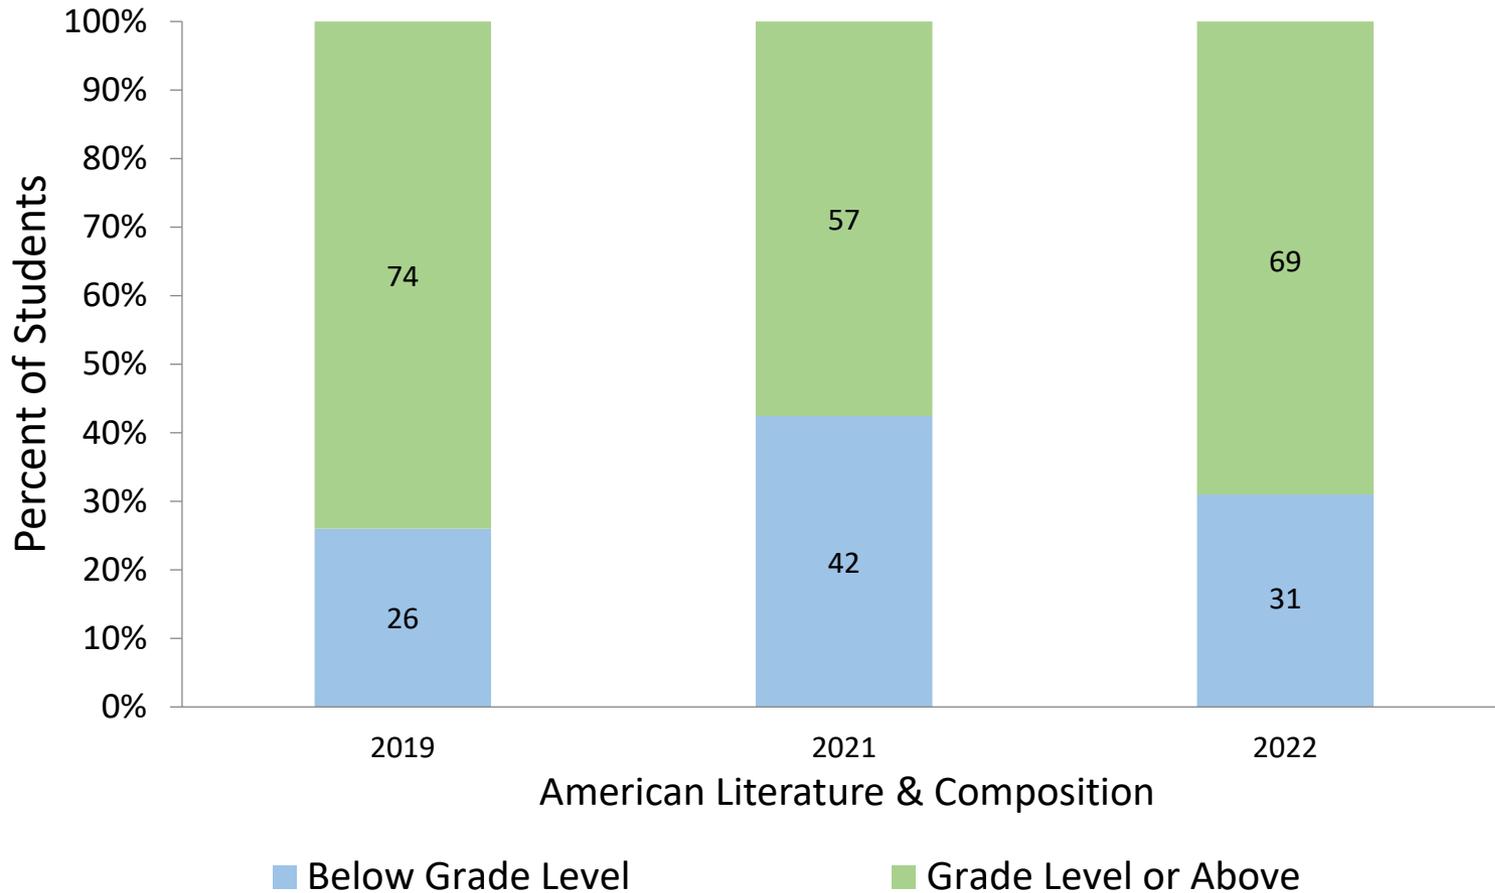

Due to rounding, percentages may not total 100%.

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Reading Status – High School

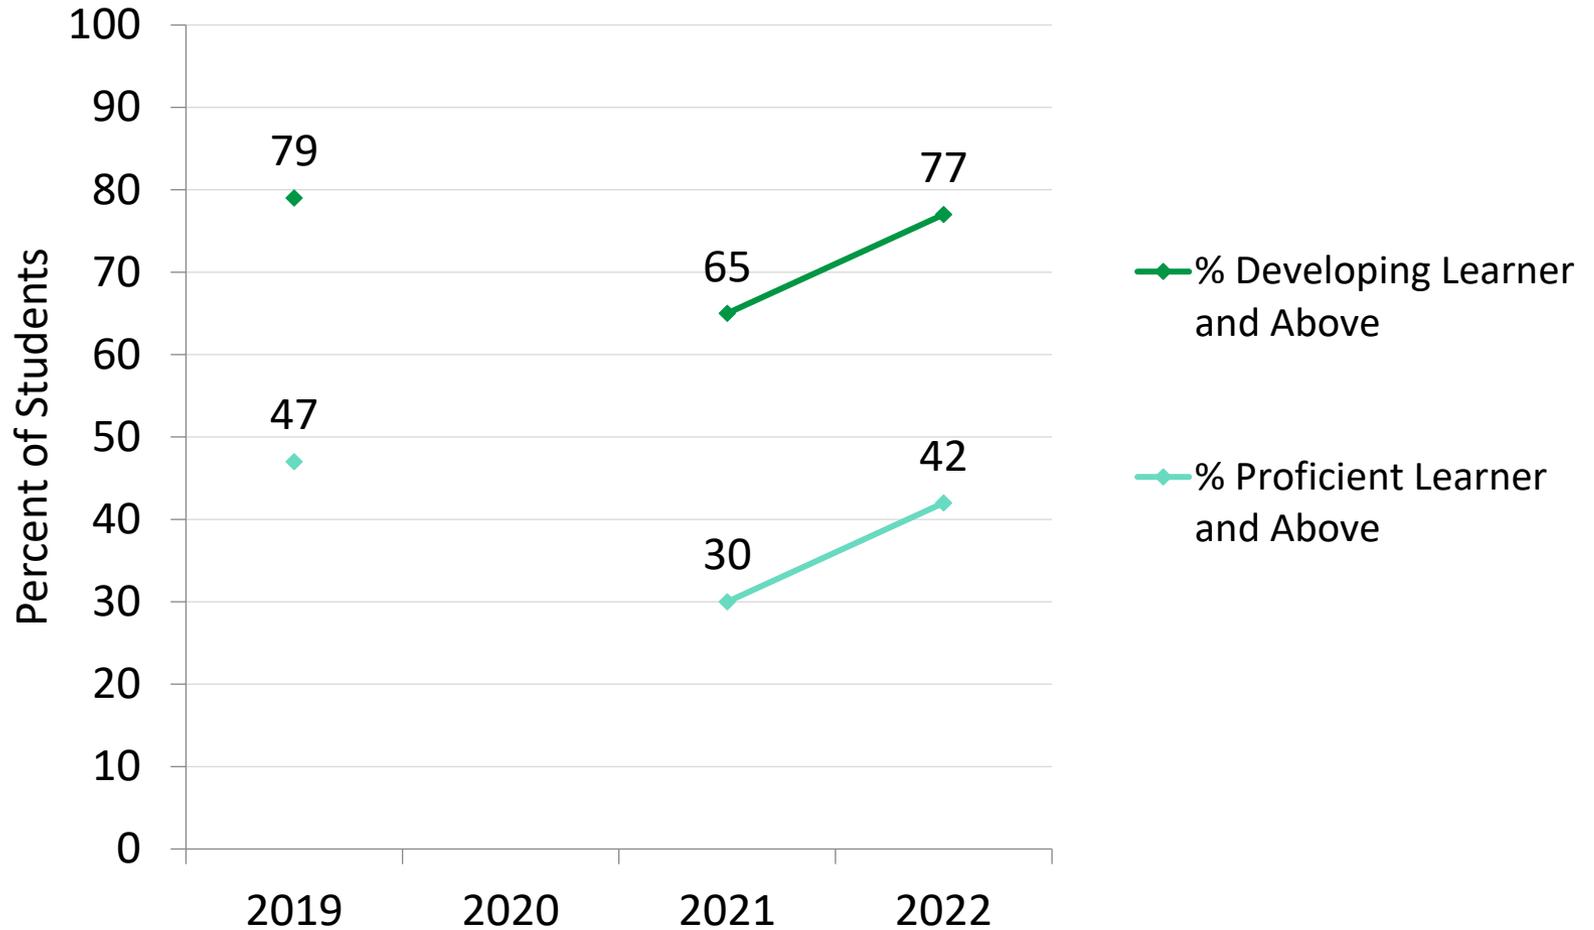

Due to rounding, percentages may not total 100%.
Results include outcomes from the Fall/Winter and Spring EOC administrations (full year).

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

American Literature & Composition

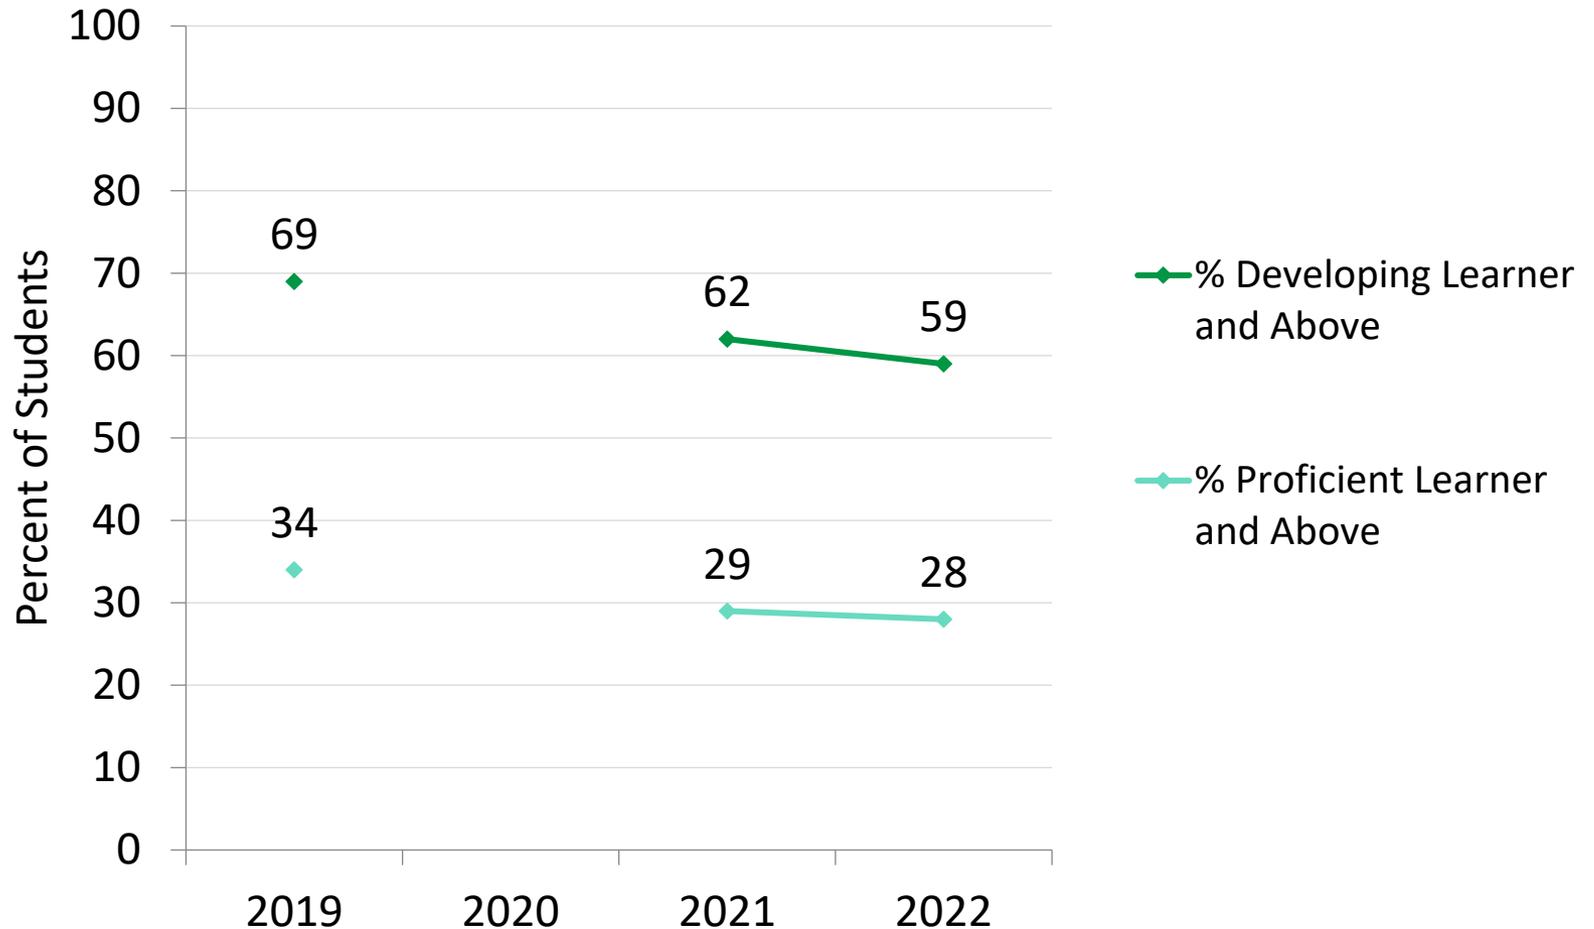

Due to rounding, percentages may not total 100%.
Results include outcomes from the Fall/Winter and Spring EOC administrations (full year).

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Coordinate Algebra

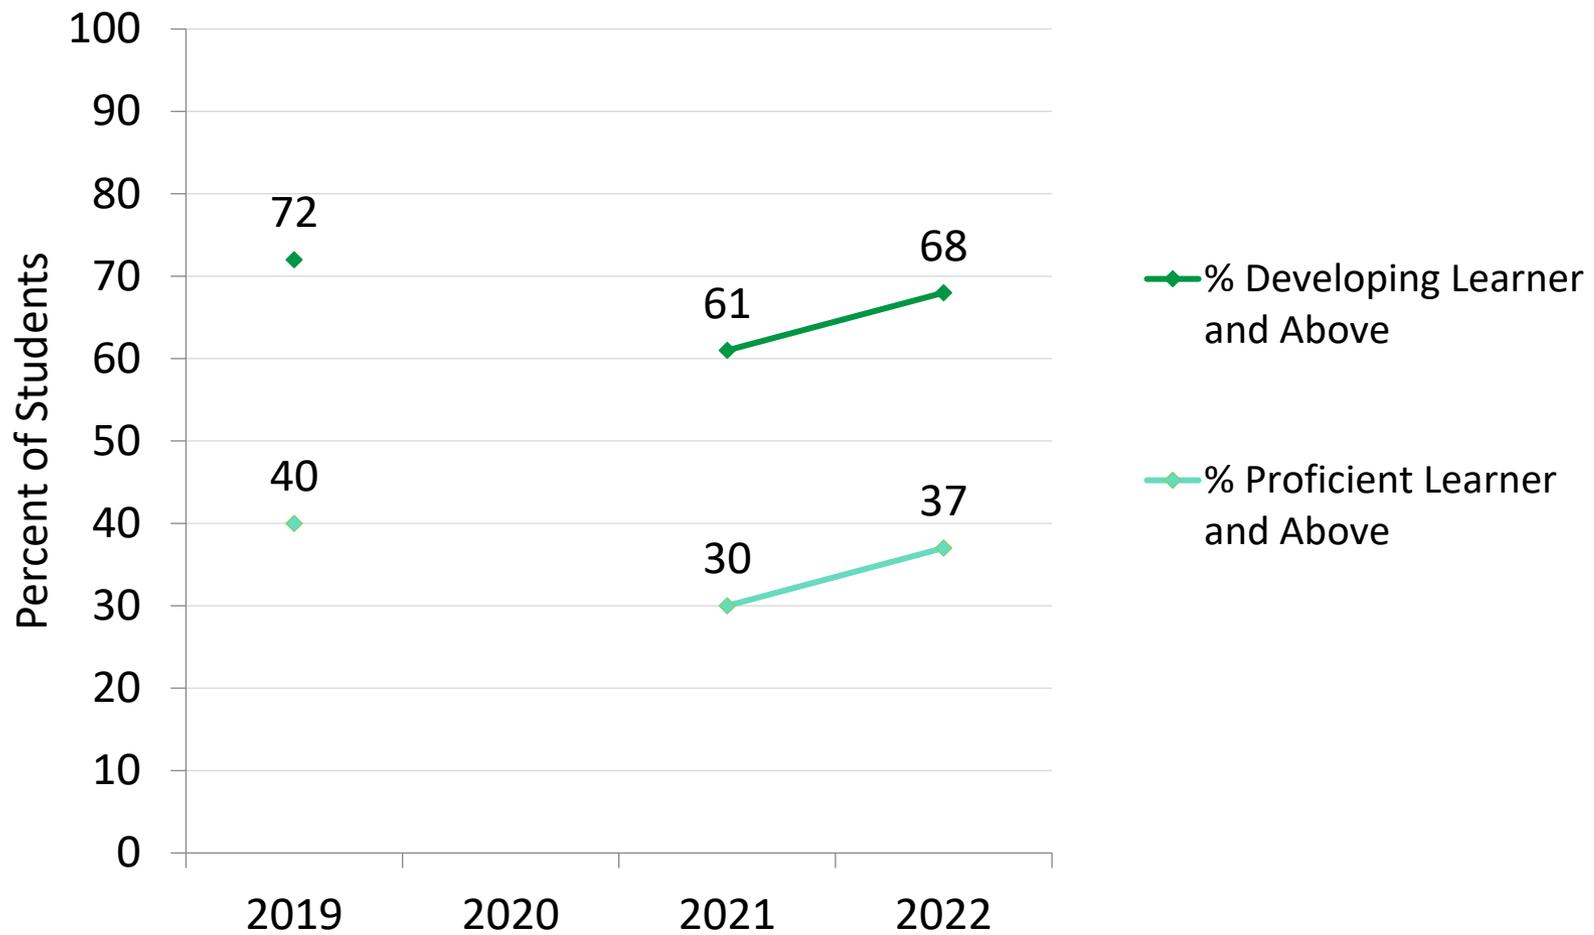

Due to rounding, percentages may not total 100%.
Results include outcomes from the Fall/Winter and Spring EOC administrations (full year).

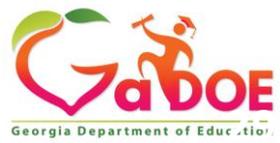

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Algebra I

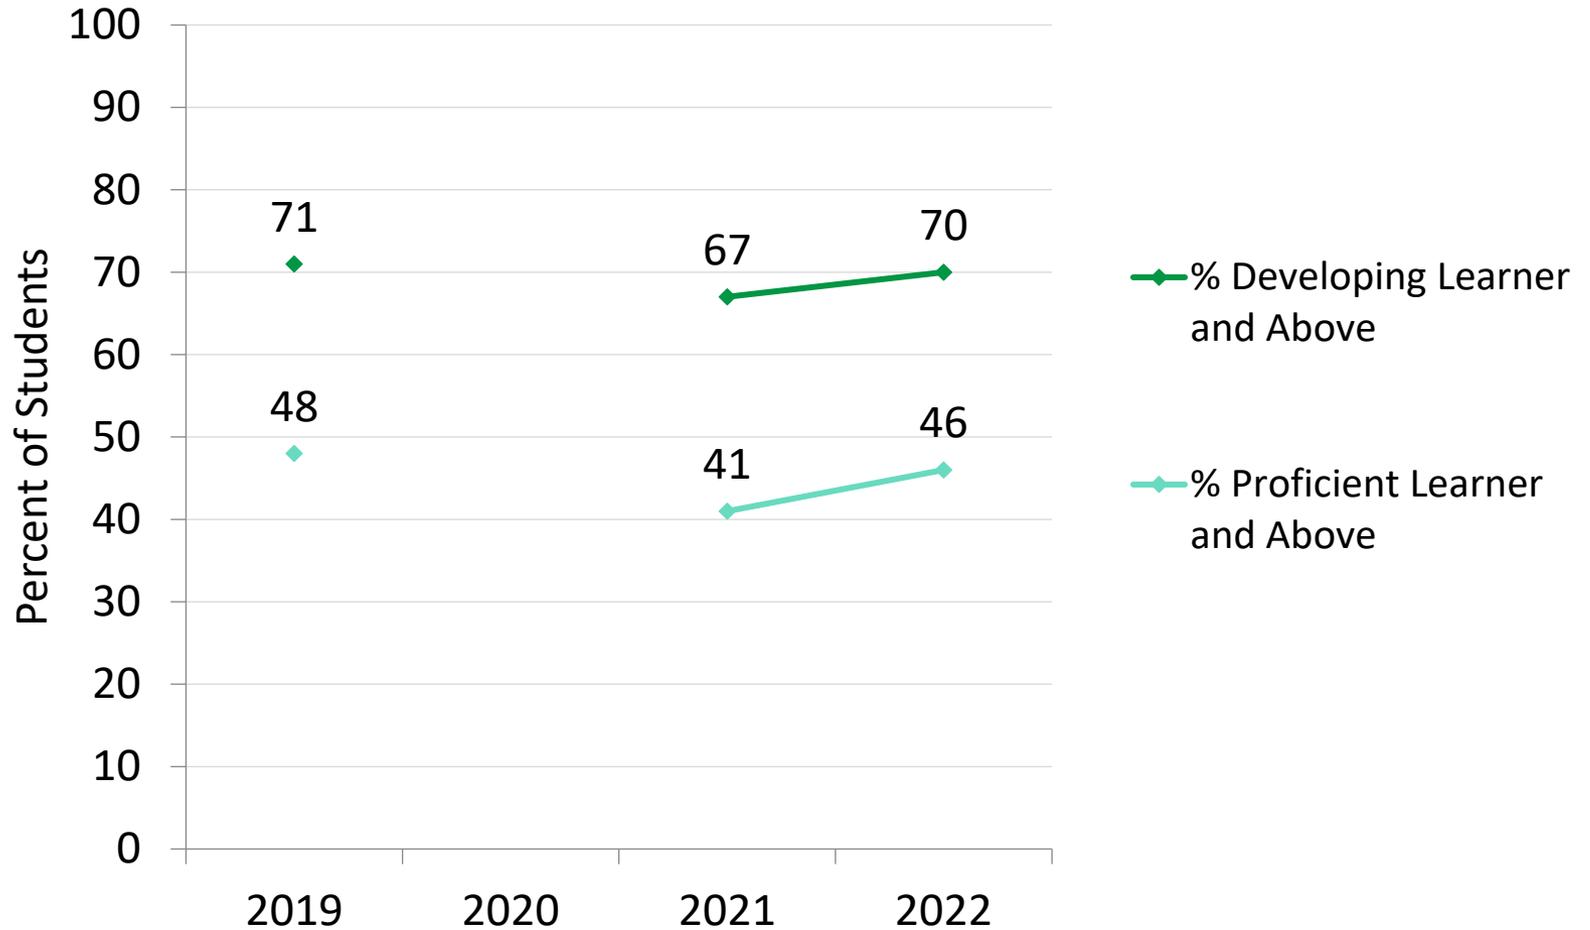

Due to rounding, percentages may not total 100%.
Results include outcomes from the Fall/Winter and Spring EOC administrations (full year).

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

Biology

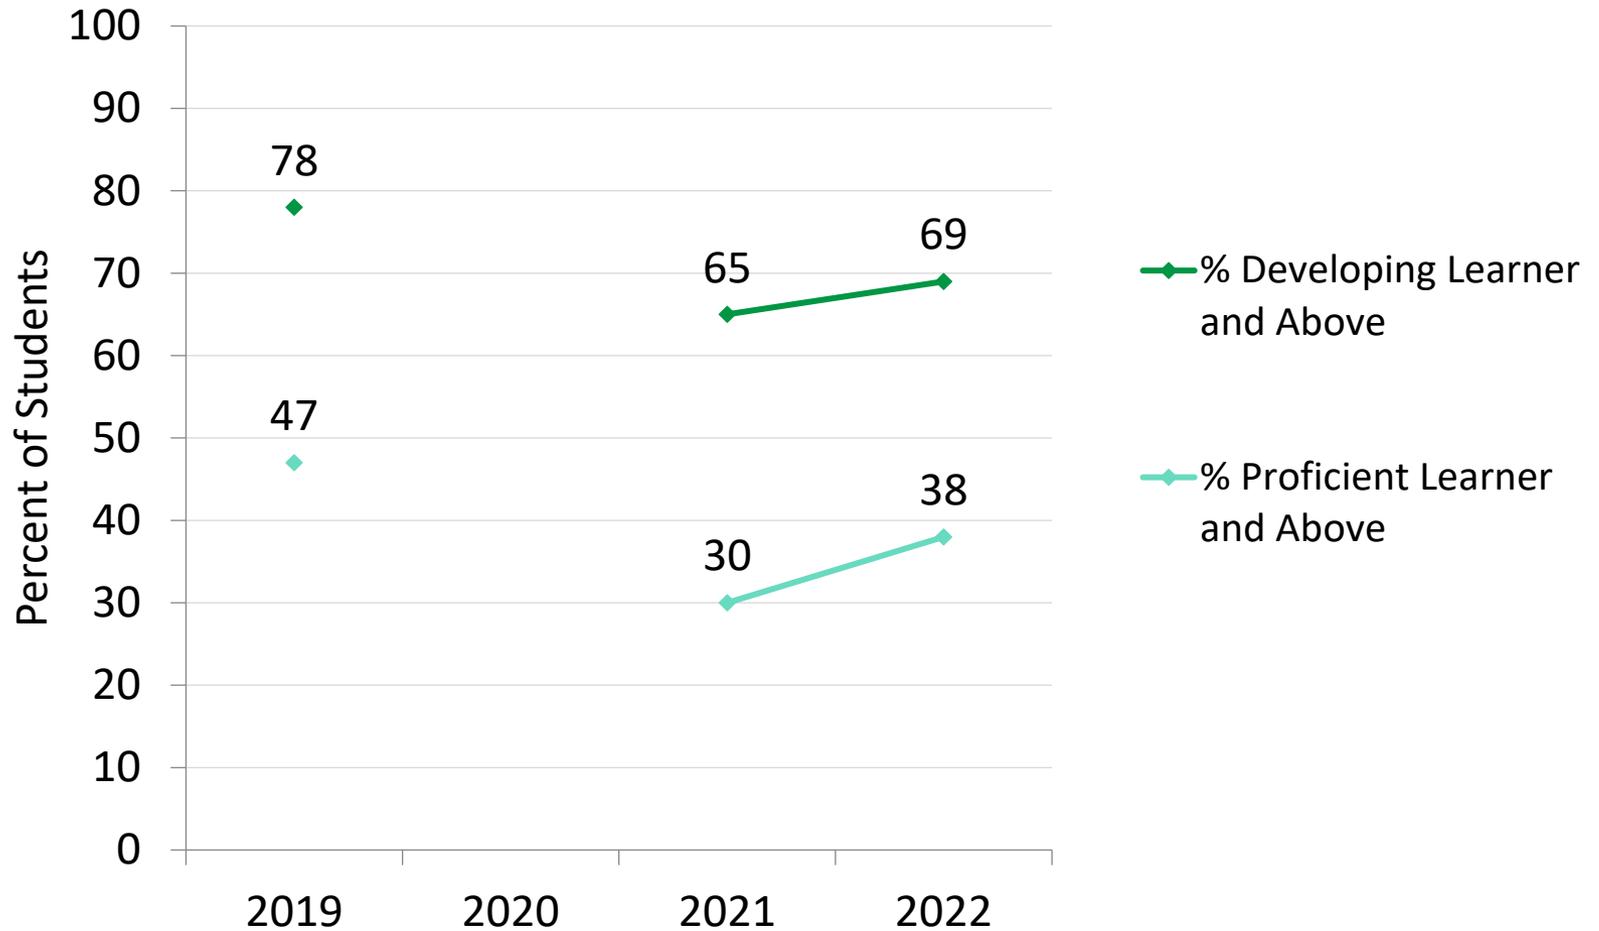

Due to rounding, percentages may not total 100%.
Results include outcomes from the Fall/Winter and Spring EOC administrations (full year).

Use caution in making comparisons to 2021 results, due to reduced test participation and pandemic-related impacts on students' learning environments.

US History

Due to rounding, percentages may not total 100%.
Results include outcomes from the Fall/Winter and Spring EOC administrations (full year).
