Why Choose Us?

Art Club focuses on educating youth on Art Mediums and how they are used to form art projects. Youth will work hands on by using techniques and concepts to enhance fine motor skills, decision-making, and discover connections between ideas as well as provide advantages for their social and emotional well-being. Art Club also strives to teach learners about color, layout, perspective, and balance. We will learn and explore deeper into details of two Art Mediums during our six-week program which meets Tuesdays and Thursdays. Art mediums will include Painting, Drawing, Sculpting, Mixed Media, and Collage.
